In Memoriam

Past International Director
Floyd Newberry

Floyd Newberry, Jr., age 87 of Sardinia, Ohio died Friday, January 13, 2017 at the Hospice of Hope Ohio Valley Inpatient Center in Seaman, Ohio. He was a retired real estate appraiser, a member of the Mt. Orab Lions Club, the New Harmony Masonic Lodge F&AM #435, the Ancient Accepted Scottish Rite Valley of Cincinnati and the Syrian Shrine.

“He was a mentor, excellent leader, friend, and an awesome Lion. I loved to sit down and just listen to him. He was full of knowledge and always trying to make you laugh. I would absorb everything like it was a sponge. He was an individual that wanted to see you exceed in life.

He believed in helping other and making a difference in communities. He was a charter member for 65 years and had perfect attendance in Mt. Orab Lions Club. He became District Governor in 1984-85. Council Chair for the state of Ohio in 1985-86. Then he became International Director in 1995 and served from 1995-1997. He dedicated his life by the motto of Lions Club International, We Serve.”

THANKS TO ALL LIONS IN OHIO, DISTRICT, AND CLUBS

Thanks to all Lions for all the support during P.I.D. Floyd Newberry's recent passing. Thanks for attending the Lions Memorial Services; the many cards; the phone calls; and the many prayers; the donations to Lions Pilot Dogs, Hospice of Hope, and the Mount Orab Lions Club in Floyd's name. Thanks to PDG Chris Homer and Lion Jim Faust for the memorial services. All acts of kindness during Floyd's illness and since his passing have been greatly appreciated by myself and his family. As you all know, he was a very dedicated Lion and loved the Lions and their program/projects deeply. I thank you for your continued love, support, and friendship. May God Bless!

PDG Elaine and family.

Taking Off!

“Are you ready to say “Yes?”

It isn't too early to consider Lions for Leadership roles. I believe now is a good time to start looking for our replacements. Getting Lions to volunteer for positions of Leadership is always a challenge and usually very time consuming. There always seems to be a reason why someone is unwilling or unable to accept this kind of service. The fact that we are all volunteers means that accepting a Club Officer position isn't mandatory. While some Club Secretaries and Club Treasurers stay in their respective positions, year after year, because they truly enjoy doing these jobs for their clubs, often it is because nobody else is willing to replace them. I believe that there are club members who are willing to accept Leadership positions if they were asked and offered the necessary training. We shouldn't assume anybody wouldn't be able to serve because we think they are not interested. Only after we ask a Lion can we be sure of their thoughts and feelings.

I want to encourage our Lions to consider serving wherever they can to gain experience and self-confidence to be able to serve as future Officers. Working on Club committees, becoming a Club Director or Club Vice President are all beneficial to both the Club and the individual members. There is District supplied classroom training offered as well as on-line training courses through the LCI web site at the following link: <http://www.lionsclubs.org/EN/member-center/leadership-development/news-train-club-officers.php>. The winter is an ideal time to take courses since we are usually stuck indoors.

Start getting your Lion's club Officer team together now by having a nominating committee in place so that your club elections can be completed by April 15, 2017 per the Constitution and By-Laws mandate. We also will need to plan on District Officer staffing for the next DG. I would like to ask Club Presidents to consider taking a Zone Chair position. With 9 Zone Chair positions to fill I'm sure your help would be greatly appreciated in identifying interested Lions.

It may appear to be early to think of next year's Lion Leaders now but I don't want to have to put Lions in a position where they feel that they weren't given enough time to think about it or to determine what Leadership role they would be interested in filling. I would like to think when asked, our Lions will say Yes!

Please consider volunteering to serve as a Lion Leader. I am offering to answer any questions you may have and to provide training information as requested. There is not commitment required or expected if you want to ask about leadership in the Lions. For my part, I'm in the company of many dedicated Lions that I consider my friends!

Happy Valentine's Day!

I have been to several clubs that were inducting new members, and this is truly an uplifting sight. Unfortunately, we are still bleeding more than gaining.

There are two things I would like to see happen. If your club has not gained any new members in the last two years, your members should gather all club members to go over what they think is needed in your community. All members need to input and no member should dominate the discussion. So try having a community needs assessment meeting. The best way is to limit each member to 2–3 minutes each, and then have 3–5 minutes of discussion on any project or fundraising event that gets traction. If you come up with one or two new ideas that everyone agrees upon, then break it down as to how it will be achieved. Don't hesitate to call upon churches, other community organizations, or other Lions Clubs in your zone for input and bodies to work the event.

It's easy to stay stationary and fade away, but remember that a group of people joined together and formed your club, so keep the legacy going.

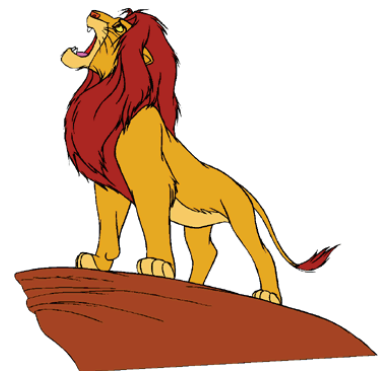

Secondly, we need to increase our female membership by twenty five percent, as they are a good source to increase membership, bring in new ideals, and increase the club's work force. Millennials are not big on meetings but love to work on projects. Don't be afraid to use all LCI different memberships. Your club may need to change their meeting format, but meetings have changed over time. When I first joined my club, you would get fined for wearing shorts, but not now.

Change keeps us alive, so embrace it. Don't let your club's legacy die. The good news is that we have district training that can help you find ways to grow, as well as Guiding Lions. Don't be afraid to ask for help at zone meetings.

Let's have a great year growing in membership and in service but make sure you having fun doing it.

Yours in Lionism

Lion John Bond

HAPPY VALENTINE'S DAY 13OH6!!

Most of the time we plan ahead and mark everything down on our calendar. I know I'm a "calendar girl". DG Gary will attest to that!! We, as Lions, plan our yearly calendar, our budget, our fundraisers, and all our dinners, etc. Planning is great and it accomplishes so much. I happen to be a type A personality and drive myself crazy lol!! But it is so much fun to be spontaneous and random!!

Maybe when you were a little kid, you had zero money to buy gifts for others so you gave them a coupon. Maybe it was good for a chore or a kiss or a hug. I know I received them and they touched my heart. I'm challenging each of us to look around and do "Random Acts of Kindness". (Waynesville students are doing this now to raise awareness of their REDO program). This is a simple concept that we can carry out daily.

As a nurse teaching CPR, I taught that in order to recognize an emergency, you had to be aware of your surroundings and pick up on any unusual odor, unusual noises or silence, or unusual activity in the area. The same can be applied to "Random Acts of Kindness". Look around your surroundings and see: is there anyone needing help carrying their groceries, or taking out the trash, or opening a door, or having their lawn mowed? etc. Many of these examples can be applied to our neighbors but in actuality our "neighbors" are everywhere we go.

Many years ago, I read a "Reader's Digest" article and it stuck with me. Whenever we have a friend hurting, we tell them "if there's anything you need, just call". Well the reality is that when they are hurting or in shock they don't know what to ask for! The man in this article didn't ask that question. He went to the home of the deceased and asked for all the family's dress shoes and cleaned and polished them for the funeral. He knew this would be helpful. No one would ever ask for that.

The next time instead of saying, "if there's anything you need, just call", put your words into ACTION and do a project for this hurting family. It doesn't have to be much to make an impact!

Serving with you in "Random Acts of Kindness",

2nd VDG Denise

IPDG Jack Morris

Lately I have been very busy, going to Illinois to visit my mother. She is 95 years old and she just recently quit taking her medications. Hospice was called and she was given Last Rights (anointing with oils) from her priest. But then she didn't die. She has been eating, which she didn't do for weeks, and she feels better (according to her). I will be visiting her again this month to see if in fact she is better.

Next month on March 19th I will be leaving the area for a Caribbean Cruise. I have arranged this trip one year ago, and am committed to go on it. Hopefully, my mother will survive while I am gone. My wife and I will start by boarding our ship in Ft. Lauderdale on Saturday, March 20th, and then traveling to Princess Cays in the Bahamas. Our trip includes stops at Grand Turk, St. Thomas, Dominica, Granada, Bonaire, Curacao and Amber Cove in the Dominican Republic. We depart the ship on March 30th, and we will get back home the following day. I should have lots to share about our trip.

The District 13-OH6 Lions will have our Cabinet Meeting during February, which I plan to attend. Please read the District Newsletter for more information and comments.

Hi Fellow Lions,

Have you ever wondered how much fun a district convention is? Have you ever wondered what goes on at the district convention? Have you ever wondered what you can get at a district convention? Have you ever been to a district convention?

If you have answered no to ANY of these questions, then your chance to answer these questions will be coming up in April 2017.

If you have ever attended a district convention, you know we have a fun filled time with Tail Twisting and the Convention Raffle. We all love to win prizes and this is done by each Club's generosity! ZC Beth Cauley (along with some help) has been asked to do the Tail Twisting and get raffle prizes. We are asking each club in OH 6 to give at least \$30 (or more if you would like) that will be used to buy raffle prizes. You can send the check to CST Jay Carey, 635 Albin Ave., Washington C.H., OH 43160 and mark Raffle on the "memo line".

For the raffle prizes, we are asking each zone to create a "basket" of items to raffle off. These baskets can have a theme (ex: sports, drinks, "Lions" items, etc.) or whatever you would like to put in a basket.

If you have questions you can call ZC Beth Cauley (937) 238-9119 or Convention Chair Miriam Van Scyoc (513) 474-0288.

Come and join in the fun. Register and be there at District Convention so you have the opportunity to win!!!

Yours in Lionism,

ZC Beth Cauley

.Each year Lions Clubs International sponsors a Peace Poster Contest for students who will be 11,12 or 13 on November 15th of that year. Students may be from a school, church or any other organization who sponsors a youth group. This poster may be presented in any art media. The art work must be done on a flexible material and be the individual students original creation. Each group is sponsored by a local Lions Club. The New Holland Lions Club has sponsored a group from Miami Trace Schools for many years. This years Peace Poster Contest theme was "Celebration of Peace". The student must compose a phrase of their own and then draw their interpretation of that phrase. This year our club had 105 entries from the 6th grade class at Miami Trace Middle School. The 1st place winner was Aeriauna Urbina , 2nd place Jordann Cockerill and 3rd place Jacob Pettit.

Pictured are (L-R) Aeriauna Urbina, Jordann Cockerill, Jacob Pettit, and New Holland Lions Club President, Marty Mace.

Ohio Lions Band

Greetings Lions of OH-6.

As many of you know, The Ohio State School for the Blind Marching Band has been asked and they've accepted to represent the Lions of Ohio in Chicago in the 100th Lions Anniversary Convention International Parade.

The band committee felt what better way to fulfill the challenge Helen Keller made in 1927 at Cedar Point for the Lions to be "knights of the blind".

This unique and versatile band has represented Ohio at the Rose Bowl Parade, The Memorial Day Parade in Washington D.C., and performed script "OHIO" in Braille on the OSU field during an OSU football game, as well participating many festivals and parades around the state.

The Ohio Lions Band Committee has been working with the school administration and band director to make sure this will be a trip the students will long remember. Many details have needed to be worked out (and a few details are in the process of being finalized) to make sure the students have a fun and safe trip.

In an attempt to help defray the cost of transporting, lodging and feeding over forty people during the trip, the committee commissioned the production of a very unique and collectible pin. While the pin sales have been a huge success, the committee was well aware that pin sales alone would not be able to fund this trip.

Therefore the committee agreed that we should ask each club in every District to donate at least \$50.00 to the band.

So while you are making your donations this time of year, please consider making a donation to the Ohio Lions Band.

IMPORTANT – in OH-6, PLEASE make your checks out to District OH-6 with "Band" in the memo line. Then send your check to CST Jay Carey at 635 Albin Ave., Washington C.H., OH 43160.

PLEASE>>>>DO NOT make your checks out to the Ohio Lions Band.

I thank you in advance for your support!!

Club Happenings

Welcome to all new Lions!

We are proud to have you join the world's largest humanitarian organization. Ask your sponsor how you can get involved in a service project.

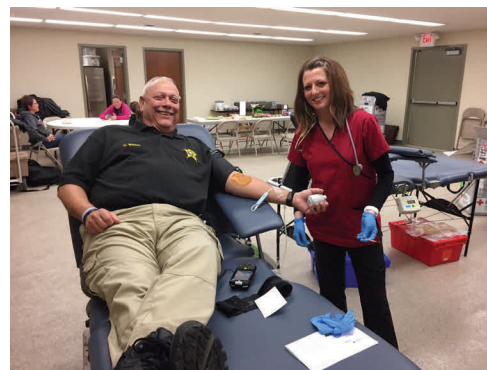

On January 24th, Waynesville club inducted 5 new members. Picture includes the new members and their sponsors. DG Gary was present to perform the Induction. Also present were 1st VDG John Bond and wife, Carol, PDG Roger Dixon, Judy Hacker from Springboro club and Patrick and Mary Bookman from the Lebanon club. In addition to the Induction, DG Gary gave 6 Lions chevrons for their years of service; this ranged from 10 to 55 years (Ellis Miller). It was truly a wonderful evening!!

The Fairborn Lions Club provided glasses to a young student who kept losing his glasses so he wasn't able to participate in school classes. Lion Tom Moss pictured on the left with the student made arrangements with the School to keep a pair of glasses at the School so he would have a good pair to use in class. This was through our Sight Conservation Committee. Thanks Tom for your good work!

Chillicothe Evening Lions Club: Lions donated 21 pints of blood at a recent blood drive. Right: Lion Dave Weber

Beavercreek Lions Club gathered to cut plastic bags into strips, which will eventually be turned into mats for homeless people. Pictured from left: Lions Iain Kelly, Cathy Roseberry, Glenn Gersch, Karyle McMannama. It takes 500 bags to make one mat!

Lynchburg Lions Have Busy Winter

The Lynchburg Lions Club has finished its annual candy sale. The sale began in mid-November and ended in early January. The sale went well and all the profits will be used to fund the many different Lions community service projects that the club supports. At least 16 different donations were made during the last two months.

The club continues to hold a pancake and sausage breakfast on the first Saturday of each month. These profits help to sponsor the GOOD program at the Elementary School and the Peace Poster Contest at the Middle School. The club hosted Governor DeFayette at the Christmas dinner meeting and several members plan to attend the Zone 7 meeting next month.

The club extends its sympathy to the family of former Lynchburg Lion Charlene Lewis. It also extends sympathy to the family of Lion Bob Roth in the loss of his wife Carol and to Lion Elaine Newberry in the loss of PID Floyd. All these great community servants will be missed.

Lewisburg Lions provided the Neighborhood Night community dinner Feb. 8th. A different organization or church group provide the weekly meal.

Chillicothe Evening Lions Club: Lion President Stew called forth Lion Fred Hempstead and presented him with a membership key for bringing in 2 new members.

Below: Lion Mike Hathaway inducted our newest Lion, Melinda Stephens. Melinda's sponsor is Lion Dee Hathaway. For our newer members, Melinda was a member of our club from 2012 to 2014 and she was a great one! She moved to Florida but has now returned to Ohio.
