**District 13 OH6**

**Serve unum sumus**

*We serve together*

Fall has arrived and district OH6 clubs look to be very active, from working festivals, district projects and many other club fund-raising or service projects. My calendar has been filling in with fairs, festivals and other club or district events. Your projects are making my weekends full but always enjoyable with all the places to go and food to eat. I have made it to all but two Zone meetings, and I will make them up on round two.

STEPS run/walk for Pediatric Cancer research to raise money for our district's Children's Hospitals is completed. It was well attended by Lions and Leos but we were short on runner/walkers and had about 20. Something our STEPS committee will go over for next year event. This event is going to be an annual district project and your input as OH6 lions is always welcomed.

Our first district 13 OH6 cabinet meeting was held after the STEPS race. A good turn out by cabinet members and eventually everybody found the park. Some good discussion was had, with our budget being approved after a couple of slight changes. So, thanks to all that made the trip. It was a great day for an outdoors cabinet meeting. I had never been to this park it's very lovely and flat and for me flat was a good thing for the walking of the STEPS mile.

Tour De Cure bike/walk at the Zoo on Sunday Oct. 15th is another District OH6 wide event to help in raising money for ADA Ohio. Our job is to supply volunteers to work at the zoo help with parking, registration, passing out tee's, or at any of the rest stops on the bike routes that have empty spaces. To volunteer, go to tour de cure Cincinnati and click on volunteers. Pick a site and time that you can work, and your volunteering will count for club hours for diabetes. Our Lion's logo will be on the back of the volunteer tee's so sign up and wear those tees proudly.

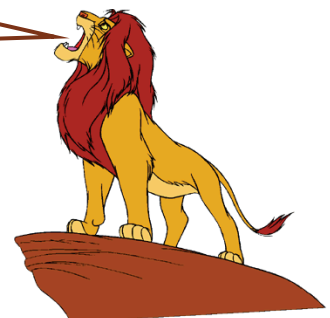

Food packing event is on Nov. 18th at The Children Are Waiting site. This is not the MMM we were trying to put on but a food packing event partnering with Anthem and LCIF. We will need about 15 volunteers in the morning and another 15 in the afternoon. Please let Lion Larry Redemeier know when you can work as he is the point person to keep track of spots that need filled. Email him at larryredemeier@gmail.com to let him know.

We as the district cabinet would like clubs to use our different positions as your club speakers. Maybe a couple or so times a year to enlighten club membership on all the needs that we support, from the help of our district's membership. Also for their expertise to help in club membership growth and just to educate members in what we as Lions of District OH6 are about. Please report cabinet members your clubs have coming to speak to your zone chair. This is so we can keep track of who is using whom as speakers,

Use the Power of We, to help grow in membership and in service, as always make sure you are having fun doing club projects.

Yours in lionism,  
 DG John Bond

*Serve Unum Simus!*

## District Calendar

October 15, 2017	Tour de Cure for diabetes
October 20-22, 2017	Regional Lions Leadership Institute, Hudson OH
November 1, 2017	Zone 1 Meeting

Attorney General Filing	Due November 16
Member count for dues	November 30

## PDG Charlie Newland

Energy Bus # 9

### “Navigate Adversity and Potholes”

PDG Charles R. Newland

What a busy August and September for me; Lions Quest activities, Charter Night for the Liberty Lions Club, Farm Work, the Highland County Fair (4H-Pigs), far too many meetings, the wonderful visit to the Millersport Corn Festival, Ohio High School Cross-Country Regional Meet, Leesburg Fall Festival, USA Canada Leadership Forum, and I think you begin to get the picture. Maybe, I need to practice what I preach, I need as much energy as I can muster.

Have you posted your sign: “*No Energy Vampires Allowed?*”. Or have you initiated actions toward negating the energy vampires from your team?

As you read and utilize the steps toward the Energy Action principles which builds a positive, high performing Club you may want to work on your personal development and growth. The simple actions we take or not take every day and the choices we make influence others. The outcome may be altered by our life-long or continuous learning. If you do something, inevitably something will go wrong. Step Nine (9) of the Energy Action Plan is how to “Navigate Adversity and Potholes.”

Note: The following extracted from “The Energy Bus” by Jon Gordon 2007 pg. 163.

Expect that every great team (club), including yours, will face adversity, challenges, and struggles along the ride. Every great team will be tested, but great teams don’t let flat tires stop them from reaching their destination.

When faced with a challenge, setback, or adversity ask the following questions.

What can we learn from this challenge?

What is this problem teaching us?

How can grow from this adversity?

What opportunity does this challenge present to our team (club)?

Build upon your challenges and use them to pave the road to success. One of the USA/Canada Leadership Forum Speaker’s Theme was; “Setbacks are a Setup for a Comebacks.” Written by Willie Jolley.

## PDG Charlie Newland

### “Do Lions live longer?”

“The future depends on what we do in the present.” ~ Ghandi

People with a purpose in life live longer. It must be true because I heard it on TV. Ha Ha. Is it possible that Lions live longer? Just from my Lions Club alone; Art Milner 101 & Leonard Watts 97.

I believe every single person came into this world for a purpose. However, many never discover their true purpose in life. Childhood dreams, but obstacles get in the way and soon the dreams are stored away. We get so busy with day to day events that our dreams may hinder our life's purpose and are never really discovered. We don't know what we'll be when we grow-up.

When teaching, I asked students what they were going to be when they grow up. A decade or two ago the majority replied they didn't know or would not answer. More recently most students have replied with: Doctor, Teacher, Lawyer, Farmer, Policeman, Join the Military, etc. Our young people have realized they have dreams while adults have lost sight of theirs. In most cases the course of life events has made these dreams seem impossible. Is your purpose in life hidden in your childhood dreams? Have you lost sight of dreams (purpose) in life? Do you know what you are going to be when you grow-up?

In this age of plentiful or abundance it's difficult for many to realize that needs and work toward the needs of others, because we are too busy. We communicate more than ever, but we don't connect. In ancient times survival was the main issue, food, clothing, shelter, and protection. Today, these basic needs are still abundant to most of our fellow citizens. However, for whatever reason, many people need shelter, food, and protection from the elements. These elements include but not limited: homeless, drugs, loneliness, mental health, and having a purpose beyond existence.

Lions Clubs Leaders have several possibilities and solutions available, but not all Lions Clubs provide what is available to their members or their communities. Maybe we can kill two birds with one stone, that is, help some of our members find their real purpose in life and serve their communities needs at the same time. People who are committed to serving others and do so find a heartfelt reward and may live longer.

### “What will a Service Club look like in the Future?”

What are your community's needs? How do you determine these needs and how can you best address those needs?

To better understand community needs, LCI would suggest a *Community Needs Survey*, your community leaders could also make suggestion, or you could rely on your members best judgments. One group met with their mayor, who replied; “just be better neighbor.”

I would recommend asking service organizations operating in your community or county. Investigating Highland County, I became aware of the following organizations: Continuum Care, Ohio Means Jobs, Prevention Coalition, Hope of Highland County, and several better-known organizations such as Samaritan Outreach, the Homeless Shelter, Community Action, School Administrators, the animal shelter, both the police and County Sheriff, Fire and Rescue, County Commissioners, Township Trustees, City Managers, and the Counsel-of-Ministers. The sum of the other service organizations leaves holes which need to be filled. They are very aware of their short comings in community services. We can partnership with their efforts or pickup areas which are unattended, but we need to look at the following: Sight, Environment, Pediatric Cancer, Diabetes, and Hunger. These areas are world-wide and commitments made by our organization.

Beyond a list of current service projects being Global; let's expand our Lions Clubs to be inclusive, Local. Originally, Lions Clubs were made up with similar type people from the business sector, who had the means to satisfy needs. In today's communities with rapid changing environment, technology, immediate communications possibilities, mobility, and a diverse population we need Lions Clubs who can meet their community's needs. We need to be diverse because diversity in membership gives different perspectives of needs and possible solutions. If we are similar in social status, with similar characteristics and expectations; likely our observation of needs will be similar. Thus, a club of the future will need to be inclusive of Laborers thru CEOs and inputs from every generation.

## President's Message

---

Dear Lion,

It's an honor to work alongside Lions like you who are changing communities and the world every day. Throughout more than 40 years as a Lion, I have witnessed how the Power of Service enables Lions to meet any need and overcome any challenge.

That's why Lions have focused our attention on diabetes—a disease that impacts over 420 million people and claims the lives of five million people every year.

As Lions, we have the power to make a difference and stop the rise of this epidemic. By making diabetes our new global service focus, we have committed to not only supporting those affected by diabetes, but to raising awareness and creating a global brand of diabetes expertise. And it all begins with you.

Educate yourself and your club about the impact of diabetes in your community. Invite medical professionals to speak at your meetings and reach out to friends and neighbors with diabetes. With an increased understanding of the disease, you'll be ready to identify and address unmet needs in your community.

Diabetes is a global humanitarian crisis. And we can be part of the solution if each of our 1.4 million Lions commits to playing a small but important role in our new signature cause. I look forward to working with you to tackle our greatest challenge yet.

Sincerely,  
**Dr. Naresh Aggarwal**  
Your International President

To follow my travels around the world and see our global service in action, [follow me on Facebook](#).

### 25 Ways to Support Diabetes in Your Community

Looking for a way to start impacting diabetes but don't know where to begin? We've got you covered. Download [25 Diabetes Project Ideas](#) for a list of service projects that can help any club anywhere get started. Plus, you'll earn special Centennial Service Challenge recognition when you report your diabetes service project on MyLCI. Download the project ideas today to get started!

### Impact Diabetes this November

The fight against diabetes isn't just our new global service focus, it's also a part of the Centennial Service Challenge. The **Worldwide Week of Service to Halt Diabetes this November 13-19** is the perfect opportunity to raise awareness of diabetes throughout your community. There are so many ways to support your friends and neighbors who have been affected by this global epidemic. Visit the [Worldwide Week of Service to Halt Diabetes page](#) to learn more and start planning your service project today!

Did you know....

Diabetes Dayton is a local, independent agency that operates a small office in the Dayton area. Funding comes from individual donations, memorials honoring loved ones, grants, corporations, foundations and our annual fundraiser. All funds stay in the Dayton area to help local residents.

They operate a one week camp in the summer for children with diabetes, and you can help sponsor a camper.

Susan McGovern, Executive Director, is available to come speak at your club meeting. Contact her at 937-220-6611.

Lion Cathy Roseberry, district diabetes co-chair, is available to speak at your club meeting about diabetes and its impact on vision. Contact her at [cathyr1@aol.com](mailto:cathyr1@aol.com).

## Marketing and Communication State Committee Report

The Committee elected to help promote the 100 Year Celebration of the Ohio Division of the International Association of Lions Clubs 1920 – 2020. It is MD13's Goal to promote Ohio Lions 100 years' of service for the next 2 Lion years as LCI did with their 100 years celebration. In other words, continue the momentum of 100 years.

Some items of discussion were ways to promote and improve Lionism in our Clubs, District and State. Some suggestions were:

- Promote the Lions Clubs use of the social media like Facebook that can be shared promoting a club web page.
- Lions Club Newsletters to promote inner club events, that can be promoted in the State Newsletter and our E-News.
- Help promote your District Governor's goal across each District.
- Promote advertising space, e.g. business ads, recognize a special Lion, promote your District, Congratulate your District Governor, etc. in the 2018 State Convention Commemorative Program; advertising revenue is used to help offset the cost of the Ohio Lions State Convention.

Editor's note: The committee is developing various slogans for the 100th anniversary for consideration by the Council of Governors. This is just one idea. EH

***Did you know?*** There are 13 clubs in Ohio that were chartered in 1920. Cleveland was the first club in Ohio, although it is now defunct. Other clubs: Akron, Canton, Cincinnati, Columbus, Dayton, Hamilton, Lima, Newark, Piqua, Springfield, Toledo, and Youngstown. Lion Bill Keller has put together a list of clubs in Ohio and when they were chartered, at: [http://www2.ohiolions.org/md13history101/MD13charters/MD13Clubs1920\\_2014.pdf](http://www2.ohiolions.org/md13history101/MD13charters/MD13Clubs1920_2014.pdf)

Purchase your keepsake coins today!

## Club Happenings

**Welcome to all new Lions!**

We are proud to have you join the world's largest humanitarian organization. Ask your sponsor how you can get involved in a service project.

**Fairborn Lions Club:** Inducted one new member in September. The club is on a roll with new people wanting to be a part of something very good in the Fairborn area. Aaron Fowler (second from the left) is standing between his sponsors Randy and Linda Hoskins. Welcome to the Fairborn Lions Club Aaron.

On October 15<sup>th</sup> the Fairborn Club had an informational night for people interested in becoming a Lion and a review of what Lions Club International is all about. Thanks to Craig Fourman for putting together a dynamite presentation. In attendance were a number of people interested in becoming Lions Club members.

**Chillicothe Evening Lions:** PDG Norman Cupps presided over the induction of our two newest Lions, George and Cheryl Taylor. Lion George's sponsor is Lion Sheila Blevins. Lion Cheryl's sponsor is Lion Debbie Kellough. Welcome to the club Lions George and Cheryl!

**O\*H\*I\*O proud!**

Ohio Lions having fun at the information booth at the recent USA Canada Forum. They gave out information about the next forum in Columbus.

Included: 1VDG Lydia Houser (second from left), PDG Darlene Roll (center), PDG Ric Houser (second from right).

# 'KNIGHTS FOR THE BLIND'

Lions Club member Dr. Robyn Hamm-LaValley hugs Ava McCleese, 10, of Rubyville, during the 85th Annual Lions Club Charter Night at Portsmouth Ramada Inn on June 20. The Portsmouth Lions helped Ava get a monocular to improve her sight.

# McCleese awarded scholarship

Ava McCleese, a 2017 graduating senior and Salutatorian of Clay High School, was accepted to The Ohio State University Department of Engineering, where she plans to study engineering physics with a concentration in nuclear engineering/energy.

McCleese is the 2017 is The Ohio Lion's Foundation Scholarship and Portsmouth Lions Club Scholarship. Other college scholarships McCleese will be receiving are Fluor BWXT STEM Scholarship, OAGC, OSU Honda/GE/OSU Partnership, Charles Medick Scholarship, The OSU Alumni Club of Scioto, OHSAA, and Carl E. Brooks Scholarship with the Scioto Foundation.

McCleese has maintained a high GPA, taking a rigorous coursework consisting of college prep, AP, and college level courses with the CCP program at Shawnee State University, ranked 3rd in her class, excellent ACT scores, and earned 43+ college credits, completing majority of their general education prerequisites before graduation

Louie Teufel (left) presents a check on behalf of the Lions Club to Ava McCleese (right).

into studying physics, math, and sciences, as well as her special interest in music, the arts, and learning foreign languages. To name a few of her many involvements and awards that she is most proud of are: 2017 RA Horn Award, 2016 Honda-OSU Math

Using Spectroscopy and Imaging on Proto-MPEX. Also, she participated in the People to People Leadership Ambassadors program for international Relations and Diplomacy where she took part in a model UN debate and resolution traveling from Columbia University, NY

for the Miami Summer Scholars Program at Miami University for Physics of Magnetism. These programs gave her a wealth of new learning experiences with opportunities for travel and community service, as well as provide her with an extensive

Vandalia Lioness Club: helped sort, bag, and hand out food at the Vandalia Butler food pantry. They also provide a monthly arts and craft class at the Crossroads Nursing and Rehab Facility. The residents love their visits!

As an active member club, the Northmont Lions Club commemorates an Englewood, Ohio Centennial Park Project with a Lions Centennial Heritage Project as a celebration milestone for the first 100 Years of Humane Community Service of the International Association of Lions Clubs 1917-2017 and the beginning celebration for the Ohio Division of Lions Clubs International 1920-2020.

The Park Bench is located adjacent to the Cypress Pointe Health Campus along the YMCA Bikeway between Route 40 and the Englewood Centennial Park .

It would be remiss not to mention the contribution of the Englewood Department of Parks and Recreation to the Lions Heritage Project for the location and concrete pad to which the park bench is anchored.

The Waverly club recently purchased a house adjacent to their club property and are now considering renting it to a needy family at a reasonable cost. It is mostly furnished as can be seen in the photograph, including the mattress. Interested parties should contact the club directly. The club will claim the project as a service activity....The rest of the story...The recent purchase has been consummated after a lengthy process. The club will soon demolish the house and convert the area into a pleasant lawn. The project will enhance the entire neighborhood!

Zone 9 Chairs Mike and Dee Hathaway visited the Minford Club and were treated to an excellent program. Lion Glenn Franke presented an informative, well researched, 100 year history about Lionism. The subject of the 100 year commemorative coin was included which led to the planned presentation of a 100 year coin to Lion Steve Crabtree. PDG Rick Tipple presented the coin to Lion Steve recognizing his 50 years of dedicated service as a Lion.

**50 Years**

Links and Information
