44 Lions and 2 guests were present when President Cindy Powell opened the meeting at 6:00 PM. President Cindy led us in singing *America* (we need either Lion Dick Tuttle to get us started on the proper pitch or else to recruit more sopranos) and the Pledge of Allegiance.

GUESTS:

- Mike Magill, husband of Lion Judy Magill. Mike has completed a membership application.
- Lion Dave Noble, guest speaker for the evening.

CONCERNS:

- Lion Dick Tuttle remains at Traditions for rehab. He should return home tomorrow.
- Lion Queen Lester is doing well following her hip replacement. She is also at Traditions.
- Lions Gary Warner, Bob Ryan, and Tom Gustin continue to need our prayers.
- Lion Dave White is at Westmoreland in rehab. He expects to return home tomorrow.
- Lion John Malone is at VA rehab with a broken hip from a fall.
- Lion Otto Tuttle suffered a cracked sternum from a fall.
- Lion Neal Senff went home early because he was feeling poorly (Scioto Crud).

GOOD NEWS:

- Spring has arrived.
- We have two prospective members in the wings.
- Lion Jasmine Vest has adopted a German Shepherd Puppy.

OUR PRAYER: Lion Gene Oliver.

OUR MEAL: Pulled pork sandwiches, baked potato, mixed veggies, salad, and cherry pie a la mode.

OUR COOKS/CLEAN UP: Lions Arlan Cox, Sam Creech, Roger Geise, Claudia Weiderman, Neal Senff, and Jim Nickoli.

SECRETARY'S REPORT: Lion Joy noted that sign-up sheets for the district convention, the state convention, and the international convention are on her desk. This is the last call for the district convention. There were 11 cards needing Lion signatures.

TREASURER'S REPORT: Treasurer Lion Becky had no report.

TAIL TWISTER: Believe or not, our esteemed Tail Twister Lion Dave had to leave early and left no report.

SIGN UP SHEETS: Passed around for feeding the youth group and the April fish fry.

PROGRAM: Lion Mike Hathaway introduced Lion Dave Noble of the Xenia Lions Club who is also the Marketing and Development Director for Voice Corps reading service. The program provides reading of newspapers, advertisements, local events and other news via a broadcast system for the visually impaired. There are three areas where our club can help including locating those that need the service, fixing sets with antennae to better receive signals in poor reception areas, and to foster more community contacts for information. The program was very informative and we hope to assist the program as a service project.
