## District 13 OH6 Lion of the Year

Lion Pam Hennis, Zone 3, Lebanon Lions Club

At left, PDG Chris Homer

Lion Pam has been an active member of the Lebanon Lions Club for four years and has been a secretary for the club for over 3 years. Lion Pam is a very dependable member of her club and works hard at her office of secretary. She has attended the District trainings for secretaries, keeps accurate records, communicates well with the members, and always turns in her monthly reports in a timely manner.

Lion Pam is very active in her club in their efforts to help their local community by helping out with their monthly food packing for students in need, helping with pre-school vision screenings for Warren County, delivering baskets to needy families, and helping to purchase and wrap gifts for children during the Christmas holidays. She also headed up the committee to decorate and furnish a room to be used for homeless families in Warren County which became the Lebanon Lions Club's Centennial Project. Lion Pam is also an active member of the Warren County United Way which is another example of how much she truly cares for the well being of her local community.

Lion Pam helps with her club's various fund raising events as she sells several pass-books and roses each year. She is a member of the Route 42 Car Show Committee where she and her husband Ted order the trophies and dash plaques, attend the car show committee planning meetings, and work tirelessly to help put on the Route 42 Car Show in conjunction with the Waynesville Lions Club.

While helping her local club, Lion Pam has also been active doing projects within District 13. She attended the STEPS pediatric cancer 5K event, worked at the registration tent for the Tour de Cure and helped pack food for Child's Hope International. She attends the various zone meetings and District Conventions each year and last year she and her husband Ted attended the State Convention at Cedar Point. She recently sponsored a new member and is a great example to her entire club of what it means to be a Lions member that gives her all to help those in need.

*We serve together*

I would like to take this time to thank all that helped put on our district's convention this year, from the planning of it, to help cleaning it up afterwards. If something needed done, it was done. Other than all the things I forgot to bring. A thank you to CST PDG Jay and wife Carol, PCC Don Robinette, PDG Clark Van Scyoc and my wife Lion Carol for a very moving Necrology Service.

ID Ardie Klemish and husband IPDG Ken did a great job with Helen Keller's story, and ID Ardie was an excellent guest speaker. I was so glad they were our international guests.

I'm so proud of our LEOs and what they are and have been doing and the awards they have received. It was good to see a couple of them attend lunch and it was their prom night too.

We had a display of Peace Poster and Veterans Home poster contest entries. We have talent in this district!

I want to thank the district cabinet for the gifts, very much appreciated, With the help of our Northeastern LEOs for their opening bid on the LEO blanket and District OH6 Cabinet gift to me we have raised \$450.00 for the STEPS run, not a bad start.

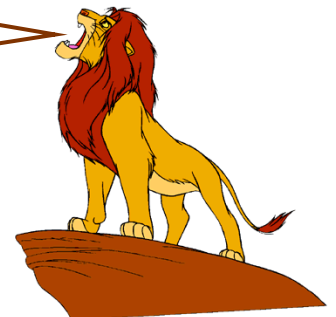

DGe Lion Lydia and 1VDGe Lion Sherry, congratulations on your new positions and I know we will have excellent leadership with you two.

Take that chance and invite someone to join you in one of your club or district projects. They may become a lion that becomes one of your club's best assets.

Serve unum sumus,

DG John

**District 13 OH6**

Hello Lions, Lioness and Leos!

District 13 OH-6 Convention is over and it was fabulous! Governor John is a rock star and made the convention lots of fun while providing good information to the attendees. Our International Director Ardie Klemish and her husband, IPDG Ken, were wonderful. They took a tour of the West Central Ohio Eye Bank on Friday and had great words to say about what both our eye banks are doing. Saving someone's sight is life changing and ID Ardie spoke about how that has affected her life because her Mother needed a surgery and the Lions were there to help ensure she was able to get the surgery! She reminded us that we need to take the time to remember why we are a Lion as we sometimes forget what brought us here to serve. Is it because you want to give back, did the Lions do something for you or your family that changed your life, do you want to serve, etc.?

State Convention is in Columbus May 18-20. It's not too late to sign up and be there. There are several important things that will be voted on at the convention so it would be great to see you there as a delegate to vote as well as attend it. You would be surprised at what you learn, who you meet, the friendships you make, etc., when you attend and expand your Lions network. Our district, OH6, has several openings for Zone Chairs next year. Would you be interested in being a Zone Chair? If you have been president of your club and want to serve on the district, then we have openings for Zones 4, 5, 7 and 9 Chairpersons. This is a great opportunity to grow as a Lion and meet so many wonderful people that are right here in our district. We really need some Lions to step up and be leaders in these Zones. I always hear anyone who has been a Zone Chair say that they had a terrific time doing it. Please let me know as soon as possible but hopefully in the next few weeks if interested. We also have openings on several of the district committees and if you would like to be on any of them, please let me know.

We have had another busy month with more meetings happening and lots more activities held. Make sure you are getting your club officers together and reported quickly to International and the district.

Continue to publicize your events as you never know who will show up through advertising through the newsletter, website, facebook, etc.

Are there specific topics you would like to see discussed in our newsletter? If so, let us know. Also, if you want to write an article, Lion Eleanor and our district team would be glad to get them. Spreading the word is important as well as educating our Lions on all the different things that the Lions do. It is amazing what we do as a district; be proud and let the rest of us know!

Why not make plans to attend the USA/Canada Forum coming up September 20-22 in Columbus, Ohio? This Forum is right in "our back yard" and provides us a great opportunity to attend over 80 seminars and the best is you get to choose which ones you want to go to. It is a good way to learn more about Lions, meet many of the International Lions and meet many new friends. There is something there for everyone even volunteering to help during the Forum. Check out the website at: [lionsforum.org](http://lionsforum.org). Please let me know when you are having activities so I can come when my schedule permits. My email is: [LMHYOYO@AOL.COM](mailto:LMHYOYO@AOL.COM) and my phone number is (937) 236-5254. Keep up the grrr-reeaatTTTT work!!!!!!!!!!!!!!

### MAY – “Real NEWS!”

*Have you read a great news-article lately? Newspapers, newsletters, magazines, pamphlets, handouts, and social media are inundated with articles.*

**NEWS:** Implies something has or is expected to happen, or perhaps something the reader doesn't know, informative. It may be old stuff, but it's new to someone! Usually, news can answer self-imposed questions or instructs the reader on what needs to be done. Considering the volume of written material, nothing is new. Generally, writers add spice to issues by adding their perspective and quote research for credibility. Perspective can be influenced by past events. During a life/death event, who cares about who is leading in the playoffs. We all have our own priorities, and sometimes I'll read the newsletter and sometimes I don't.

While working on my Master's Degree at the University of North Florida, my advisor gave me a small book, maybe 90 pages, titled “*Mastery Learning*” and asked me to read it, and he would explain what I needed to do for my thesis. He said, “You don't know enough to understand what I want you to do.” I read the book and scheduled an appointment with my advisor. He started asking me questions about the in-depth contents of the book, which I was unprepared to answer. He did not want me to just read the book, he expected me to comprehend and apply the concepts to other situations.

The point is that news article writers, expect that the reader will comprehend the data, use and apply the concepts. However, readers often are just like me! Quickly scan and never act.

The lack of questioning and comprehension the details of issues leave us as a contributor to the problem, instead of being part of the solution. Without understanding, verification and application of data (NEWS) leaves us without the knowledge to take positive actions that will make a difference. As I write news-articles my intent is to grow and expand community service.

Do you question the research that's offered to legitimize solutions? Do you accept the notions that some things are impossible? What standard do you impose on NEWS? My ole papa said; “believe nothing you hear and only half of what you see”.

It's time to provoke in-depth thinking about real-issues affecting your club. During 2018-19 Lions Year I'll be working on real issues and attempting to provide “Real-NEWS”. Your job will be to dissect, question, research, and work toward solutions.

PDG Charlie

ID Ardie Klemish addressed the convention and spoke about the many service activities in our district. She challenged us to give up one soda or coffee a week. If everyone in the district did that and donated the money to LCIF, it would amount to over \$192,000, but it only takes \$160/year to feed a hungry person.

She told a moving story about how the Lions provided the money to allow her mother to get cornea transplants. There weren't many dry eyes in the crowd.

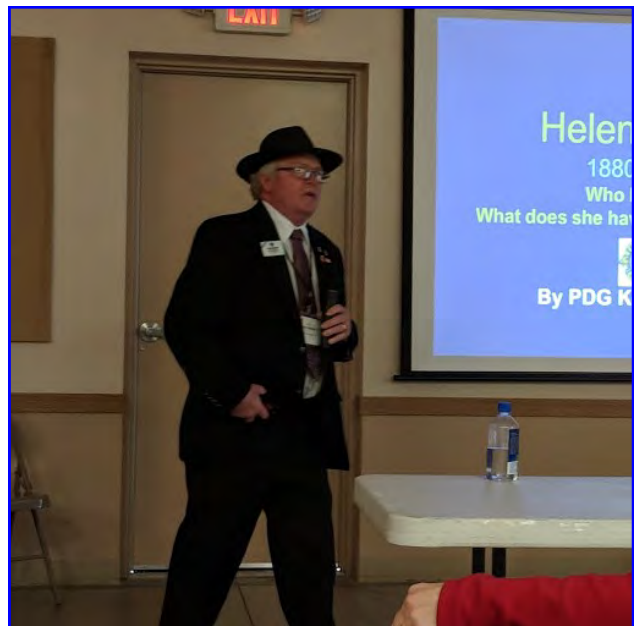

She described how important it was to do service reporting, as it leads to partnerships.

Left: our district Peace Poster winner, Haylee Napper, was also selected as the state winner. Her poster now goes on to international competition.

Below: PDG Ken Klemish told the fascinating story of Helen Keller's life.

**Welcome to all new Lions!**

We are proud to have you join the world's largest humanitarian organization.  
Ask your sponsor how you can get involved in a service project.

As in years past, the Wilmington Lions Club celebrated Arbor Day and supported the Fourth Grade Foresters Program. During the week of April 23<sup>rd</sup>, representatives from the Wilmington Lions Club presented 620 evergreen saplings to all Clinton County Fourth Graders. We are so pleased that the local school districts continue to support this program. The trees are presented to students along with a story about how Arbor Day came to be a much celebrated event.

Lion Gary DeFayette tells students @ Blanchester the story of the Lions International

**Fairborn Lions Club and Fairborn Leos:** held their annual street clean up on Dayton-Yellow Springs Road near I-675 in Fairborn. The street looks great now.

Beavercreek Lions had a fun booth at Family Fun Day, to raise money for a wheelchair accessible baseball field at Owen's Place park. Kids had to toss a bean bag in a cornhole board to win a bubble wand. The stuffed lion was strong enough for kids to sit on!
