District Governor's Message
Rachelle Powers, District Governor, MD 13 OH 6

Fellow Lions,

What an incredible time we had at the Ohio Lions State Convention! It was wonderful to see Lions from across the state come together to celebrate service, fellowship, leadership, and the amazing impact we make in our communities every day. Thank you to everyone who attended, participated in seminars, supported our causes, and helped make the convention such a tremendous success.

A special congratulations goes to PCC Lydia Houser on receiving the Ohio endorsement for International Director. This achievement reflects her years of dedication, service, and leadership to Lions throughout Ohio and beyond. We are proud to support her as she continues this exciting journey.

I am also honored and humbled to have been selected to serve as Council Chair for the upcoming Lions year. I look forward to continuing to serve alongside all of you as we work together to strengthen our clubs, support our communities, and advance the mission of Lions throughout Ohio.

As we begin looking ahead to the new Lions year, I encourage every club to continue focusing on membership. It is never too late to invite someone to become a Lion. Every new member brings fresh ideas, new energy, and additional opportunities for service. Remember, more members mean more service, and more service means greater impact in our communities.

Just as important as membership growth is ensuring that every Lion feels welcomed, valued, and included. Our clubs are strongest when all members have a voice in decisions and feel respected. Let us continue to listen to one another, support one another, and treat our fellow Lions with the kindness and respect that define our organization.

At its heart, being a Lion means serving others. It means showing compassion, stepping forward when help is needed, and making our communities better places to live. Service, integrity, respect, and fellowship are not just words—they are the true values of Lionism that guide everything we do.

As we close out this Lions year, please remember the importance of maintaining compliance with both IRS requirements and Ohio Attorney General filings. Staying current with these obligations protects our clubs and allows us to continue serving effectively.

Finally, I would like to wish Ben Dunn the very best as he prepares to serve as our incoming District Governor. Ben brings enthusiasm, dedication, and a strong vision for the future of OH 6. I know he will do an outstanding job leading our district, and I encourage everyone to support him throughout the coming year.

Thank you for allowing me the privilege of serving as your District Governor. Together, we have accomplished so much, and I am excited to see what the future holds for Lions in Ohio.

Yours in Service,
Rachelle Powers
District Governor, MD 13 OH 6

June has arrived. We had an amazing District convention. Thank you for making me District Governor Elect. I will endeavor to make you all proud. I have big shoes to fill. District Governor Rachelle has done a fantastic job. We need to continue our service to your community & to humanity to grow personally & as an organization. I believe each of us has had an act of service touch our heart or we would not be a Lion. I hope each Lion serves more people each year. The lives you touch through service magnify each year. I want to remind everyone to log our Service initiatives into the Lions Portal. Congratulations our District is once again at 100% service reporting. Thank you all & PDG Ric Houser for making this happen again. Regardless of the size of your club or project, we all are Lions because we SERVE. I encourage you to work together and help each other with fund raising & service projects. We must continue supporting each other in serving our communities & fellow human beings. I promise you will gain more friends.

Please make sure you report your new club officers in the Lions Portal. Please participate in our District Officer training to be conducted on Saturday, June 13, 2026 at Resurrection Lutheran Church, 1270 N. Broadway St., Lebanon, Ohio 45036. Registration starts at 8:30am.

Please encourage your clubs to participate in the various club awards that are in the back of our District directory. Recognition is a great way for all of us to improve.

Membership continues to need our attention. Please remember & participate in wear it Wednesday. Wear your Lions, hat, pin or jacket. Talk about Lions & invite someone to your next fund raiser, meeting or better yet your next service project. Furthermore I am impressed with our membership growth. We have been seeing membership growth surpassing previous years. Our membership will not grow if we do not ask others to serve with us. We are very close to accomplishing net growth for this year.

I want to thank all our District 6 members that participated in the State Convention. I am pleased to announce PCC Lydia Houser won the endorsement of Ohio to be our International Director candidate.

Please let our Leadership team or I know if there is anything we can assist you or your club with. Be kind to yourself & others. Serve with pride because each of you & your clubs make a difference. You facilitate making & keeping a better community & world.

Be Kind & Catch Service;

Message from Your 2nd Vice District Governor

Dear Lions,

It is hard to believe we have reached the final month of this Lions year. Let's finish this year as strong as possible and continue showing our communities what Lions are all about — service, teamwork, and making a difference.

It was great seeing so many of you at the State Convention. The fellowship, conversations, and energy from Lions across the state were amazing, and it is always inspiring to see what we can accomplish when we come together.

I would also like to give a huge congratulations to Lydia Houser on her International Director candidate win. What an exciting accomplishment, and we look forward to supporting her as she continues this journey.

As we close out the year, please continue serving your communities, supporting each other, and don't forget to report your service in MyLion. Every project and every hour helps tell the story of the incredible work Lions do.

Thank you for everything you have done throughout this Lions year. It has been an honor serving as your 2nd Vice District Governor, visiting clubs, attending events, and seeing firsthand the passion and dedication throughout our district.

LCIF Report

PDG Elaine Newberry, District LCIF Coordinator

An update on Hurricane Melissa that hit Jamaica on October 28th, 2025. So far LCIF has made a \$15,000.00 emergency grant which was used to help over 600 households. LCIF has also made a \$100,000.00 catastrophe grant for hospitals, schools, and churches that were destroyed--focusing on helping to restock schools with desks, chairs, etc. as they are rebuilt. These donations are hard at work and making a world of difference.

Why should Lions support LCIF? There's nothing more central to being a Lion or Leo than service. It's why we joined; it's what we do. Through our support of LCIF, the Foundation provides Lions the resources needed to take on issues we care about, bringing about real and lasting change. By donating to LCIF, your club and you can help change the world.

Grants are given not only for disaster relief, but also for vision, diabetes, hunger, pediatric cancer, the environment, and so many other needs. As Lions, we are there to help where there is a need. All donations from Clubs, individual Lions and Leos are available for future Melvin Jones Fellows or Progressive Melvin Jones Fellows once \$1,000.00 has been donated. They can be named now or later. It is a very nice way to honor or recognize a fellow Lion. Several clubs have chosen to name Melvin Jones Fellows this year. Congratulations to these new Fellows and to the Clubs for doing so.

Donations are also added to the District and Club Grants program where Districts can receive grants for worthwhile projects. Thank you to all Clubs and individual Lions who have made donations this Lions year. Some individuals gave this past month of January in honor of Melvin Jones's birthday. There are the Presidential gold, silver, and bronze pins again this year for individuals who give \$50.00, \$100.00, or \$200.00. Some Lions like collecting these pins. No matter what you can give, every donation is appreciated and needed. If you or your Club hasn't donated yet this year, there is still time to do so. You can donate on line or give to me, and I will send it in for you. You will still get the credit.

Thank you to all for your donations to LCIF.

**PDG Elaine Newberry
District 13 OH-6 LCIF Co-Coordinator**

Mental Health Initiatives

Lions Clubs International is one of the world's largest service organizations, founded on the mission of empowering volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding. Lions have long focused on vision care, disaster relief, youth programs, hunger, and environmental efforts. In recent years, mental health has become an important and growing priority, as communities across the world face increasing challenges related to stress, isolation, anxiety, depression, and access to care.

The Lions' mental health initiative emphasizes awareness, education, advocacy, and community support. The goal is to reduce stigma, promote early intervention, and help individuals feel supported and connected. Through partnerships with local schools, health organizations, and community groups, Lions are uniquely positioned to bring compassionate outreach and practical resources directly to the people who need them most. Clubs often focus on youth mental health, caregiver support, and building environments where people feel safe discussing emotional well-being.

Mental health service projects can take many forms, allowing clubs to tailor efforts to their community's needs. Educational workshops are a meaningful starting point. Clubs can host guest speakers such as counselors, school nurses, or mental health professionals to talk about stress management, suicide prevention, and coping skills. Distributing green ribbons and informational materials during awareness months can also spark conversations and show visible support.

Youth-focused programs are especially impactful. Lions can sponsor school-based initiatives that teach resilience, kindness, and emotional literacy. Creating "calm rooms" or relaxation corners in schools, donating sensory supplies, or supporting peer mentoring programs can help young people feel supported. Clubs may also provide scholarships for students entering mental health fields, encouraging future service and care within the community.

Community connection projects are another effective approach. Lions can organize wellness fairs, support groups, or family resource nights that provide access to local services. Care packages for individuals experiencing crisis, appreciation events for first responders and healthcare workers, or partnering with shelters and senior centers can help address emotional needs while strengthening relationships.

By focusing on education, compassion, and practical support, Lions Clubs can play a powerful role in promoting mental health and well-being. Through small acts of service and consistent outreach, the organization continues its legacy of improving lives—helping communities feel seen, supported, and stronger together

Yours in Lionism,
Kasie Flatt-Jeffers

Dear Lions Club Members of MD13 OH6,

I hope this message finds you well and energized for another year of meaningful service. I'm reaching out to ask for your support for a project that is changing lives in the most direct way possible—by giving people the gift of **mobility**.

For several years, I've been working with **PET/Mobility Worldwide**, a nonprofit that builds and distributes rugged, hand-cranked mobility carts to individuals in developing countries who have lost the use of their legs due to disease, injury, or birth defects. These carts offer people a way to regain their independence and dignity.

My specific part in this mission is building the **handles** for these mobility carts and **shipping them to Columbia, Missouri**, where they are assembled and sent overseas. This effort costs approximately **\$5,000 per year** to cover materials and shipping. Currently, the PET account has only **\$700**—far short of what's needed to keep this project going strong.

That's why I'm asking you and your fellow Lions to consider including this effort in your **club's budget** for the year. Every contribution—large or small—makes a real difference. If several clubs pitch in, we can fully fund another year of this life-changing work.

Please take a moment to discuss this with your club, and if you have any questions or would like me to speak at one of your meetings, I'd be more than happy to do so.

Thank you for your time, your compassion, and your continued dedication to service.

Yours in service,

Tony Winner

THANK YOU, FROM LEBWCO

As Executive Director of the Lions Eye Bank of West Central Ohio, I am incredibly proud to share the impact of our collective work in 2025. This year marked yet another record-setting achievement for our organization, with the highest number of donors and transplants in our history. These accomplishments reflect not only growth, but the strength of our partner programs and the dedication of our entire team.

Across all locations—including Dayton, but also Lifeline in Columbus, Solvita in Toledo, and Lifebank in Cleveland—have worked together to serve donor families with compassion and to honor the gift of sight. Our Dayton program continues to serve as the foundation of our operations, supporting both transplant and research efforts. Through this work, we are able to extend the impact of donation beyond transplantation, by advancing research and improving outcomes for future recipients.

In 2025, our team helped restore sight to more than 2,400 individuals. Additionally, we processed over 700 of those corneas to meet surgeon specification. Each transplant represents a life changed, and each donor represents a legacy carried forward.

This level of impact is only possible because of the exceptional people behind the work.

I want to personally recognize and thank our staff. Their professionalism, commitment, and care are evident in every aspect of what we do—from donor referral and recovery to processing and placement. They consistently go above and beyond to ensure that each donor is treated with dignity and that every opportunity to give the gift of sight is maximized.

Our success this year is a direct reflection of their dedication. I am honored to lead such a talented and mission-driven team, and I look forward to building on this momentum as we continue to expand our impact and serve more individuals in need.

Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. https://cdn2.webdamdb.com/md_MSufQ32Ysa31cT7S.jpg.pdf?v=1&utm_source=Eloqua&utm_campaign=MEM_EN_October%20Leo%20eNews_2021&utm_medium=email

Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact youth@ohiolions.org if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
