From the Editor:
Tis’ the season of holidays and spreading good cheer. Is your club spreading the good cheer through service? A lot of people struggle during this time of the year, things such as single parents’ giving their kid(s) gifts for the holidays, why not adopt a family? Homeless are still on the streets and have no food, why not have club members serve at a food bank or soup kitchen? There is a lot we can do as Lions and our roar can be heard around the world. Where there is a need, there is a Lion.
Continue to support other clubs, celebrate your members, and serve your community!

Also, new member entrance fees are waived through June 30th, 2022.

Be on the alert for fake email and text/call scams. No district cabinet member will ever contact you to request money or gift cards.
District Governor’s Recap,

We’re still hovering near the 0 net growth in membership at -4. My goal is to end positive at the end of the year so that we pull out of the consistent annual losses of memberships across the district. We can’t do this without you! Keep working on new recruits and work with a plan and a team. Pull out the Ohio Plan again and work it once more. Send Invites out through social media online platforms to come and meet your club. But most importantly, please talk about yourselves on social media and report your service work on MyLion. There are 4 officers’ positions who can report on MyLion, President, Secretary, Administrator, and Service Chair. Find someone in your club to become the Administrator or Service Chair who is willing to input your Clubs Service Activities online through MyLion. I’ll post the raw data pictures, we’re still hanging at 43% reporting. Please make this a priority! Your meetings are reportable, any volunteer hours you do as a lion’s club counts here. With only 43% of our clubs reporting, we’re missing huge amounts of hours that many of you put into your lion’s year. I’m sure you take great pride in your work, make it count!

I’m just about wrapped up with the second round of Zone meetings. And hearing how many clubs are expecting new members to come to a club meeting for a first introduction, or are expecting that they are inducting members is very promising. Great Job!
I just had the privilege of selecting our District Peace Poster Winner, Catherine Cole, of Goshen Middle School. Congratulations out to The Goshen Lions Club. There were a small number of 5 Clubs sending in Peace Posters this year. Clubs and all, please consider adding a Peace Poster to your List of Club Activities Next Year, the amount of thought that a student puts into these is very worthwhile to everyone and your community if you would showcase the art you receive from the classes who participate. If you need more information about the Contest, please find Marty Mace in your Directory.
In a few short weeks my wife will be having a necessary shoulder replacement, her third or fourth on that shoulder, and this time it will be a reverse. I’m 39 - she’s 38, She has about 14 doctors. I would guess that 5 to 7 are surgeons, three of them have added metal to her joints or bones so far. I’m sure she’ll pull right around, she’s beyond a miracle and role model at this point to most everyone she meets. She’s planning to be taking off just the Winter School time break and going right back to work. So, although we’ll be nursing her back to health soon, we’ll be thinking of you, and we wish you the Brightest and Happiest of Holidays and a Better New Year!

Support Campaign 100

As Lions, we’re always ready to stand up and do whatever it takes to make a difference. Confronting some of the biggest challenges facing our communities takes more than hard work—it takes funding. It takes Campaign 100.

When you support Campaign 100, you become a part of the biggest fundraising effort in LCIF history. Your generous gift can also help you qualify for limited-edition campaign recognition and help your club or district qualify for grants, like District and Club Community Impact grants, for your community service.

Consider making a gift today and see how LCIF and Campaign 100 help us make a difference around the world—and in the community outside your door.

Give Today
LCIF—WILL YOU AND YOUR CLUB BECOME A PART OF CAMPAIGN 100???

Thank you to all the clubs and individual Lion members who supported LCIF—Campaign 100 the last couple of years with a donation!!!

This is the final year of Campaign 100 in which our LCIF goal is U.S. $300 million dollars. At the close of Lions year 2020-2021 our world-wide donations were over U.S. $210 million dollars. We can reach our goal if all clubs and individuals make a donation this year. In the past, we have been successful with Sight First I and Sight First II, and we Lions can do it again.

Our total donations from our District OH-6 last year totaled $13,115.00 from 28 clubs out of our 57 clubs. That amount was down some from the previous year of 2019-2020 where our donations totaled $18,819.00 from 30 of our clubs. Ohio’s total donations were $149,803.74 from 240 clubs out of 374 clubs. However, I believe we did have more individual Lion members from our District to make a donation. Thank you ALL! Remember that your donations do apply towards Melvin Jones Fellows. Several Melvin Jones and a few Progressive Melvin Jones awards were presented last Lions year here in our District. Congratulations to those members and those clubs.

At your recent Zone meetings, each club should have received a LCIF cardboard “bank” (after folding it into a bank) for members to donate coins or folding money going to LCIF. These banks should be passed or available at all meetings where members can make a donation. Then these donations are sent to me by the club treasurer where I record them and send them on to LCIF.

My goal is for ALL clubs to make a donation this year to LCIF. NO donation is too small. Please, even a donation of $10.00, $20.00, or $25.00 from a club or Lion makes you a part of this Lions world-wide Campaign 100.

Using President Douglas Alexander’s theme of “A Heart of Service”, let’s put our hearts into action by supporting our global foundation so we can achieve our goal of raising US$300M.

Thank you!

Thanksgiving has come and gone, and I’m sure that all of us enjoyed family, friends and good food. Now on to Christmas. Let me wish each and every one of you a Merry Christmas and a Happy New Year: Joyeux noel et bonne annee; Frohe Weihnachten und ein gluckliches neues Jahr; eid milad majid wasanat jadidat saeida; Buon Natale e un Felice Anno Nuovo; or Krismasi Njema na Mwaka Mpya.

As we enter into the Christmas season, let us not forget how blessed we are. We are blessed with jobs, retirement, food, a home, family and friends, our fellow Lions, etc. But, let us not forget the less fortunate in our local community, district, state, country and world. Many will be homeless, hungry, lonely and down on their luck.

As Lions We Serve. And Where There’s a Need, There’s a Lion. So, as Lions, think about donating time at a food kitchen, Think about making a monetary donation or food donation to a food pantry, This is a great way to do service, and make Lions visible.

So, while this is short and sweet, Merry Christmas and Happy New Year.

Global Membership Approach

We all know that the North American Membership Initiative pilot began in 2018 to help jump start the membership growth and retention in the United States and Canada. As a result of that success, it was decided that the pilot and its objectives will continue on a worldwide basis and now will be known as the Global Membership Approach.

The Global Membership Approach will be delivered and supported by the Global Action Team.

The Global Membership Approach objectives are aligned with the original North American Membership Initiative Objectives. The objectives are:

• To rejuvenate districts with new clubs
• Revitalize clubs with new members
• Re-motivate our existing members with new fellowships and exciting service.

These three objectives continue driving us to our goal of increasing the number of Lions.

Global Membership Approach combines a strategic process and a set of available resources. The goals are focused on membership growth through new club development.

The 4-step process is universal, and customizable based on regional needs:
1. Build a Team
2. Build a vision
3. Build a plan
4. Build Success

The goal of the Global Membership Approach is positive membership growth. This goal is fundamental to the broader goal of One Lion: to be the global leader in community and humanitarian service.

If you want additional information or help working through this approach, please contact PCC Lydia Houser, at email: LMHYOYO@aol.com or phone (937) 609-6594.

Leo Corner

- Make sure you have updated your rosters and have added your Leo officers for the 2021-22 fiscal year. It is highly recommended that you drop off your seniors that have graduated no later than June 30th as this will not affect your current year. Hold your club elections in the April/May timeframe so that you may be able to add them before the July 1st fiscal year hits.

- OH6 District Leo Chair Robert Borger would love to come talk to your club as a guest, please reach out to him at 937-856-6945 or at rborger6@gmail.com. He is also available to help you and your club with anything you may need including recruiting help, fundraising, and service activity ideas.

- There is hope that the State Youth Committee will be able to put together a State Leo Convention for this year approximately around February 2022. We hope to see many OH6 Leo’s there this year!

- There have been ongoing State Youth Committee meetings throughout the summer for anyone to attend. It is highly recommended you join our Zoom meetings if you have a desire to learn about Leo Club in general or have any questions about anything. We posted the previous 2hr session on the Facebook Ohio Lions Youth page which was chalk-full of everything to know about Leo Club.

- If anyone would like to purchase 2021 State Leo pins, contact Leo-Lion Robert Borger to make a request. 2021 pins are red. Thank you to all who have already purchased!

Leo and Leo-Lion Cabinet and Council Liaison Positions
The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. https://cdn2.webdamdb.com/md_MSufQ32Ysa31cT7S.jpg.pdf?v=1&utm_source=Eloqua&utm_campaign=MEM_EN_October%20Leo%20eNews_2021&utm_medium=email
