From the Editor:
It is the time of the year for conventions upon us. Whether district or state, I implore you all to attend your own district convention, but if given the chance, go attend another district’s convention as well as the state convention. Very good information can be learned at a convention along with meeting other Lions from across the state.
I wish all clubs the best of luck in the remaining four months of the fiscal year as you continue to serve your communities, district, state, and international.
I will be more available to talk to clubs about newsletter, Leos, or whatever for the rest of the fiscal year. You may contact me now to schedule if interested and I will attempt to find some time in my schedule now.

Lions of OH6,

It was great to see so many clubs come to their Zone Chair’s final meetings for the year, I was able to make it to 7 out of 9 of those, I send my thanks to all my Zone Chairs this year for a job well done. Club officer selections and elections should be underway, good luck to all of you that are stepping up. You’ll have to take my word for a truth, that the journey of Lions is a great benefit upon yourself.

My next couple of stops this year are Conventions of my fellow Governors, and our own, please come out and join us for the weekend. I’ll be traveling to some clubs as well in the next couple of weeks. I have been receiving Governors contest materials, so thanks to those clubs who put the time into filling those out, I look forward to reading them in the next couple of days.

Remember to designate your officers as soon as you elect them in LCI, and bring in your new members! We’re flattening our drops out, but let’s keep shooting for positives!
IP Douglas Alexander

DOUGLAS X. ALEXANDER INTERNATIONAL PRESIDENT

Douglas X. Alexander, from Brooklyn, New York, USA, was appointed to the office of first vice president by the Lions Clubs International Board of Directors on January 9, 2020. President Alexander is a retired vice president for J.P. Morgan Chase Bank. A member of the Brooklyn Bedford Stuyvesant Lions Club since 1984, he has held many offices within the association, including club president, zone chair, region chair, vice district governor, district governor, cabinet secretary, cabinet treasurer and DGE group leader. He also served as a Lions Eye Bank transporter, a member of the District and Multiple District PDG Association, a trustee of the New York State and Bermuda Lions Foundation and was appointed as the Lions representative to UNICEF-New York from 2012-2014. He has served on the USA/Canada Lions Leadership Forum Planning and Host Committees and has been a presenter at several USA/Canada Forums. In recognition of his service to the association, he has received numerous awards including the club Lion of the Year, Club President’s Award, the Robert J. Uplinger Service Award, several District Governor Appreciation Awards, and the Multiple District Membership Growth Award. He is also the recipient of numerous International President’s Certificates of Appreciation, seven International President’s Awards and the Ambassador of Good Will Award, the highest honor the association bestows upon its members. He is a Dr. Franklin G. Mason Fellow, a W. P. Woods Fellow and a progressive Melvin Jones Fellow. In addition to his Lions activities, President Alexander is active in numerous professional and community organizations. He has served as chairperson of the advisory board for the New York Urban League and as a board member of the St. Francis DeSales School for the Deaf. He is also a recipient of the Congressional Record Award. President Alexander has two daughters, and his partner in service, Shabiki Cazabon, is a Lion and a Progressive Melvin Jones Fellow.
PRESIDENT’S MESSAGE  
Service from the heart with  
International President,  
Douglas X. Alexander  

Dear Lion,

You know that it takes hard work to achieve great service. And protecting the environment is one of the most challenging—and rewarding—ways that you can help your community thrive. To celebrate Earth Day, let’s get our hands dirty and work together to make our communities cleaner and more beautiful places for the people around us.

As one of our global causes, protecting the environment is about more than just preserving our world today. It’s about building a safer, more sustainable world for future generations. Every tree you plant or garden you sow is a seed of hope that will grow and benefit your community—and our world—for years to come.

Yours in Service,  
Douglas X. Alexander

CERTIFICATION OF DELEGATES TO THE MD13 STATE CONVENTION

Articles XI Section 5 of the MD13 – Ohio Lions, Inc. Constitution states the following:

Each chartered Club in good standing on the first day of any convention of Multiple District 13 - Ohio Lions, Inc. shall be entitled to one (1) Delegate and one (1) Alternate for every ten (10) of its members who have been enrolled for at least one year and a day in the club, or a major fraction thereof, five (5) being considered a major fraction. Membership shall be shown by records of the International Association Office as of the first day of the month last proceeding the month during which the convention is held. Any club which is newly chartered, and any other chartered club which takes in new members prior to the convening of any such convention, shall have its delegate quota determined on the basis of members who have been enrolled in the club for at least one year and a day as shown on such record date in the records of the international office. In all cases each club in good standing shall be entitled to at least one (1) delegate and one (1) alternate. Selection of each Delegate or Alternate shall be evidenced by certificate signed by the President or Secretary of each Club.

Additionally, Article XI Section 7 of the MD13 – Ohio Lions, Inc. Constitution states:

All Past District Governors who on the date of any Convention of the Organization are members in good standing of any Club belonging to Multiple District 13 – Ohio Lions, Inc., shall be considered a Delegate-At-Large, irrespective and exclusive of any Delegate quota of their club. Nothing herein shall be construed to allow any person more than one (1) vote upon occasion or in connection with any question before the Convention of Multiple District 13 – Ohio Lions, Inc.

Accordingly, we the undersigned officers of the above named Lions Club do hereby certify the above Club Membership information is accurate and the Lions listed below are the officially recognized Delegates, Delegates-At-Large and Alternates chosen to represent our club at the MD13 – Ohio Lions 2021 State Convention, in all relevant matters.

Kentucky Tornado Disaster Relief

Our Kentucky relief project is an ongoing statewide project through June 30, 2022. As victims are slowly beginning to get their insurance claims dealt with, they are trickling back to the affected towns. Clubs, individual Lions, and our community partners can participate in one of three ways -

1. pack plastic totes with household items - sheets, kitchen utensils, tools, anything from the list. District service coordinators can arrange pick up points for the totes. Millersport Lions are allowing us to collect all the totes in their clubhouse, to be taken to the Kentucky Lions distribution centers.
2. Monetary donation to help buy 2"X4"s, 2"X6"s and plywood to help with repairs for the uninsured and the many UNDER-insured. These folks are just now able to start patching roofs and walls now that the insurance adjusters have been out. Instead of collecting wood, we are collecting money to purchase the wood closer to Hopkinsville and get it delivered to the distribution center.
3. --Money can be sent to Ohio Lions, Inc 4074 Hoover Rd., Grove City OH 43123 or there is a Paypal link for donations on ohiolions.org.
4. Sending thoughts and prayers for those struggling to make ends meet, to secure housing, to cope with the depression and PTSD that are affecting their families.

With the disastrous events unfolding in the Ukraine, the world has turned its attention there. This is not to negate efforts to help internationally. But our neighbors in Kentucky are also displaced and desperate, just without the continued media coverage. We want to show them the heart that Lions have.

~CC Kerry

Support Campaign 100

As Lions, we’re always ready to stand up and do whatever it takes to make a difference. Confronting some of the biggest challenges facing our communities takes more than hard work—it takes funding. It takes Campaign 100.

When you support Campaign 100, you become a part of the biggest fundraising effort in LCIF history. Your generous gift can also help you qualify for limited-edition campaign recognition and help your club or district qualify for grants, like District and Club Community Impact grants, for your community service.

Consider making a gift today and see how LCIF and Campaign 100 help us make a difference around the world—and in the community outside your door.

Give Today

WE ARE $34,209,636 AWAY FROM HITTING OUR $300 MILLION GOAL AS OF MARCH 21ST
LCIF—WILL YOU AND YOUR CLUB BECOME A PART OF CAMPAIGN 100???

Thank you to all the clubs and individual Lion members who supported LCIF—Campaign 100 the last couple of years with a donation!!!

This is the final year of Campaign 100 in which our LCIF goal is U.S. $300 million dollars. At the close of Lions year 2020-2021 our world-wide donations were over U.S. $210 million dollars. We can reach our goal if all clubs and individuals make a donation this year. In the past, we have been successful with Sight First I and Sight First II, and we Lions can do it again.

Our total donations from our District OH-6 last year totaled $13,115.00 from 28 clubs out of our 57 clubs. That amount was down some from the previous year of 2019-2020 where our donations totaled $18,819.00 from 30 of our clubs. Ohio’s total donations were $149,803.74 from 240 clubs out of 374 clubs. However, I believe we did have more individual Lion members from our District to make a donation. Thank you ALL! Remember that your donations do apply towards Melvin Jones Fellows. Several Melvin Jones and a few Progressive Melvin Jones awards were presented last Lions year here in our District. Congratulations to those members and those clubs.

At your recent Zone meetings, each club should have received a LCIF cardboard “bank” (after folding it into a bank) for members to donate coins or folding money going to LCIF. These banks should be passed or available at all meetings where members can make a donation. Then these donations are sent to me by the club treasurer where I record them and send them on to LCIF.

My goal is for ALL clubs to make a donation this year to LCIF. NO donation is too small. Please, even a donation of $10.00, $20.00, or $25.00 from a club or Lion makes you a part of this Lions world-wide Campaign 100.

Using President Douglas Alexander’s theme of “A Heart of Service”, let’s put our hearts into action by supporting our global foundation so we can achieve our goal of raising US$300M.

Thank you!

LCIF--Refugees and Displaced Persons Fund

LCIF has set up a fund for all of us who have the Ukraine people in our thoughts and prayers, and LCIF has set up a special fund to help the Ukraine Refugees and Displaced Persons. Contribution to this fund will help ensure that Lions are there to help families find safety and security they desperately need. As of March 9th, 7 grants totaling $105,000.00 has already been awarded to relief efforts in Ukraine. A grant has been approved for Poland, and expect to award additional grants to other countries receiving Ukrainian refugees.

Donations will qualify for Melvin Jones Fellows credit and towards Campaign 100. However, donations to this fund will not count towards District and Community Grants.

Make checks payable to LCIF, and mail to me, and I will forward on to LCIF. In the memo line, indicate Ukraine Refugees and Displaced Persons Fund. I have already received some checks from clubs to this account. Thank you.

I hope the clubs who have not made a donation to LCIF yet this year will consider doing so. This is our last year for Campaign 100, and our goal is US $300 million dollars.

2021-2022 Annual LCIF Report
By PDG Elaine Newberry

Thank you for allowing me to serve on your Cabinet as the LCIF District Coordinator and thanks to the Lions Clubs, Leo Club and Individual Lions who have made a donation to LCIF this Lions year for the individuals, communities, and the world who will benefit from these donations in making their lives better.

As of April 1st, there have been 26 of our District Lions Clubs out of the 57 clubs, and 1 Leo Club who have sent $11,001.00 to me that I have forwarded on to LCIF. LCIF is the humanitarian arm of LCI and through their Campaign 100 which you have become a part of the biggest fundraising effort in LCIF history to help restore vision, to fight hunger, to help keep families and neighbors healthy, to protect the environment, to help with disasters, to work in the area of pediatric cancer, diabetes, measles, and so much more; you have helped in the promise LCIF has made to these individuals, communities and to the world to be a better place to live. Together, we can do so much! Lions—WE SERV

LCIF took on the challenge of raising U.S. $300 million dollars by June 30th, 2022. From the report from LCIF, as of March 21st, we are $34,209,636.00 away from that goal. With 3 months to go, with help from all Lions Clubs and many individuals this goal can be reached. If your Club hasn’t sent a donation yet, perhaps you can do so to be a part of Campaign 100. All donations sent, every dollar is used for their various grants; there are no administrative costs involved. Your donations will also go towards your club’s Melvin Jones Fellows credit which is a wonderful way of honoring some of your deserving Lions. Every dollar sent helps—no matter how small or large that donation is, you will be a part of Campaign 100.

This year, two of the major disasters that LCIF has helped were over $100,000.00 in grants to the tornadoes victims in Western Kentucky and neighboring states. This was a disaster close of us. Recently, LCIF has set up the Refugees and Displaced Persons Fund where contributions to this fund will help ensure that Lions are there to help families find the safety and security they desperately need in Ukraine and surrounding countries. Already seven grants totaling over $105,000.00 has been given to relief efforts in Ukraine, and grants have been approved for Poland and expect to award additional grants to other countries receiving Ukrainian refuges. If you want your donation to go towards this effort mark Refugees and Displaced Persons Fund on the Memo line of your check.

Again, thank you to the clubs and individuals who have given, and if your club hasn’t donated yet, perhaps you can still help by sending a donation made payable to LCIF to me. Thank you!
Spring is here. Or so we thought it was. As I write this it is snowing again. But, it really is coming. With that said, I'd like to talk about two things that can be connected to spring and continues into summer and fall.

First, benches provided by the TREX Corporation. Yes, I know, many of your clubs are collecting plastic for benches or have already donated benches to your city, a local school, etc. But this is a project that every club can undertake for as long as there is a need in the area served. Think about it. It takes 500 pounds of plastic, collected in a six-month period, and you have a beautiful bench.

In Germantown, the Germantown Lions Club has done one bench; and in collaboration with the Camden Family and Eaton-Lewisburg Lions Club has done another bench. Both benches were donated to the City of Germantown and the Parks Board, and have been installed by a playground at the Weber Sports Complex in Kercher Park (see photo in newsletter). The City of Germantown has expressed a continued interest in placing more benches. So, a third one is in the pipeline.

Three benches. That is 1,500 pounds of plastic kept out of the landfill in a year-and-a-half. Plus, doing a bench, or two, or three...counts as a service project for LCI.

Second, pediatric cancer. What is your club doing to support this initiative and your local children’s hospital? Your club can make pediatric cancer/STEPS a line item in your budget and send a check to CST Jay Carey yearly. Many clubs do this, and the children helped, and I thank you. The other thing your club, or in collaboration with one or more other clubs. Can have a STEPS event featuring a 1K run walk and 5K run. This gives clubs members a chance to participate in a service project and experience the camaraderie of fellowship.

In 2017, at the request of PDG Gary Defayette, I undertook STEPS. Since November of 2017, in collaboration with OH 5, we have donated $35,530.17 to Dayton Children’s Hospital for pediatric cancer research.

This summer, the donor wall at Dayton Children’s Hospital will be updated and reflect the following: OHIO LIONS MD-13, OH5 and OH6. Congratulations and thank you to all who have made this possible.
In closing, what do these two service projects have in common? Service to the community. Remember, our motto is “We Serve”. This service provides tangible evidence to those in the community of your club’s efforts. Second, the ability for fellowship of Lions Club members and possibly collaboration with other clubs.

I want to encourage all Lions to be proud of being a Lion and the service and kindness you give to those in need in your community locally, within the district, the state, nationally and internationally.

Yours in Lionism,

LION RANDALL KLOTZ

In 2017, Katelyn Swindle-Reilly, PhD, Assistant Professor of Biomedical Engineering and Chemical & Biomolecular Engineering at The Ohio State University, was awarded with the inaugural Ohio Lions Eye Research Foundation Lois Hagelberger-Huebner Young Investigator Award. Dr. Swindle-Reilly conducts innovative research on using polymeric biomaterials for drug delivery and medical devices, focusing on ophthalmic applications. Funding from OLERF has helped her, along with Matthew Ohr, MD, Retina Director at Ohio State, develop several drug delivery systems for age-related macular degeneration (AMD).

Her research has led to several new drug delivery systems to deliver anti-VEGF long-term with potential to reduce intravitreal injection frequency for patients. This includes nanoparticles, microparticles, and a bi-layered capsule system. This work has been published in top scientific journals and has resulted in 7 patent applications. In 2020, several of these ocular drug delivery technologies were licensed by Columbus-based startup company Vitranu. Drs. Swindle-Reilly and Ohr and working with the company as Chief Technology Officer and Chief Medical Officer, respectively, to help bring these new treatments to the clinic.

The only way to currently prevent permanent blindness from AMD is to receive an intravitreal injection directly into the eye on a monthly basis for the rest of the patient’s life or surgically implant a refillable port delivery system. Her technology with the highest potential to impact patient outcomes is a tunable, injectable, biodegradable sustained-delivery implant system that allows for sustained release treatment for wet AMD. Preliminary studies indicate duration of action of the implant system can be tuned to cover 6 months to over a full year of treatment, and additional biologic or pharmaceutical agents which require different release kinetics may also be used in this drug delivery system.
This year marks 70 years since formation of the initial Ohio Lions Eye Research Committee and 65 years since obtaining 501(c)(3) tax-exempt status. The Ohio Lions Eye Research Foundation (OLERF) is committed to finding treatments and cures for blinding retinal diseases. With your continued support, we have been able to develop new breakthroughs and fund groundbreaking research that provides hope to those living with blinding retinal diseases through our grants and fellowships. However, there is still much more work to be done in the fight against blindness, and we cannot do it without you. Now is the time to renew/continue your dedication to ending blindness and vision loss here and around the world.

You can help OLERF find treatments and cures by continuing your commitment as a supporter to those affected by retinal diseases. Just look at what we have been able to accomplish together however, there is still more work to be done and we will not stop until we have eradicated blinding retinal diseases and restored vision across the world.

- All funds received by OLERF remain in Ohio for research
- $579,291.47 committed for 11 research projects for 2021-2022. This is a record for dollars granted by OLERF for research.
- Over $7 million dollars have been given to Ohio researchers by OLERF
  - Major progress by our research funds. One highlight is the development of a tiny capsule that can treat Age-Related Macular Degeneration. Check out the videos on our website to find out more. Go to: https://ohiolionseyeresearch.org

More than 10 million Americans - and millions more worldwide - live with blinding retinal diseases. Your support brings hope for therapies, treatments, and cures. **Each District in Ohio has an OLERF member.** Contact them for more information, to speak at a club meeting, district meeting, etc., or to donate. OLERF is proud of the research being accomplished and looks forward to continuing to be a leader for Ohio in eye research.
RECOGNITION AWARDS

The Ohio Lions Pediatric Cancer Foundation recognizes individuals and clubs who have donated to the Foundation.

Each club donating directly to the OLPCF at least $100 in a Lions year will receive a banner patch. (See attached illustration.) Donations of at least $100 in subsequent years will receive a banner rocker for that year.

Clubs and individuals making donations of any amount will receive a thank you letter.

Each club or individual donating $500 directly to the OLPCF will receive a Journey of Hope Award and a recognition certificate for the person the donor chooses to be the recipient of the award.

The $500 donation is cumulative and does not have to occur in a single Lions year. Each $500 donated leads to a Journey of Hope Award. This includes any donations that also qualify a club for a banner patch.

Only donations made directly to OLPCF qualify for the awards. Donations made to STEPS walks or other organizations do not qualify.

Global Membership Approach

We all know that the North American Membership Initiative pilot began in 2018 to help jump start the membership growth and retention in the United States and Canada.
As a result of that success, it was decided that the pilot and its objectives will continue on a worldwide basis and now will be known as the Global Membership Approach.

The Global Membership Approach will be delivered and supported by the Global Action Team.
The Global Membership Approach objectives are aligned with the original North American Membership Initiative Objectives. The objectives are:

• To rejuvenate districts with new clubs
• Revitalize clubs with new members
• Re-motivate our existing members with new fellowships and exciting service.

These three objectives continue driving us to our goal of increasing the number of Lions.

Global Membership Approach combines a strategic process and a set of available resources. The goals are focused on membership growth through new club development.
The 4-step process is universal, and customizable based on regional needs:
1. Build a Team
2. Build a vision
3. Build a plan
4. Build Success
The goal of the Global Membership Approach is positive membership growth. This goal is fundamental to the broader goal of One Lion: to be the global leader in community and humanitarian service.

If you want additional information or help working through this approach, please contact PCC Lydia Houser, at email: LMHYOYO@aol.com or phone (937) 609-6594.
Congratulations Catherine Cole, GMS 7th grade student, on winning the Ohio Lions Club District 13OH6 Peace Poster Contest! There are 55 local Lions Club organizations that participate in this art contest and Catherine was the winner!

Congratulations! Catherine will be honored at their District Convention in Chillicothe on April 30th! Great work!

Saturday, May 7, 2022
Registration starts at 9:00 AM

S.A.T.H. and Kamp Dovetail really need your help. As you may or may not know, Kamp Dovetail and other activities sponsored by S.A.T.H. can be very EXPENSIVE! Unfortunately this year the economy has caused some serious issues as fundraising activities have not raised enough money to cover expenses.

BUT YOU CAN HELP!

Use this PLEDGE FORM link, get lots of sponsors, then join walkers and rollers for a fun filled five miles. Awards will be given to the top 5 individuals who secure the most pledges. Be sure to dress for the weather. Refreshments including snacks and drinks are generously supplied by Linda Allen. Let’s see just how much money we can raise to keep KAMP and other SATH activities going!!

- Make sure you have updated your rosters and have added your Leo officers for the 2021-22 fiscal year. Hold your club elections in the April/May timeframe so that you may be able to add them before the July 1st fiscal year hits.
- OH6 District Leo Chair Robert Borger would love to come talk to your club as a guest, please reach out to him at 937-856-6945 or at rborger6@gmail.com. He is also available to help you and your club with anything you may need including recruiting help, fundraising, and service activity ideas.

Leo and Leo-Lion Cabinet and Council Liaison Positions
The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. Pride Award

Leo clubs that have excelled in growing their club, completing service projects and reporting their impact to Lions Clubs International will receive the Leo Club Pride Award. The award will be given automatically based on the Leo Club’s reported information in MyLCI and MyLion. To be a recipient, Leo clubs have to meet the following criteria by June 30th of the current fiscal year.

Criteria

Membership

- Net growth of 5 new members reported in MyLCI in the Leo Club at the end of the fiscal year

Service

- Reported 5 service projects in MyLion during the fiscal year.

Organizational Excellence

- Reported Leo club advisor, Leo club president, Leo club vice president, Leo club secretary and Leo club treasurer in MyLCI or Leo-72 form for the fiscal year

Net growth: number of new Leo members minus dropped Leo members during the fiscal year.
