From The President's Desk:

Can you believe it's October already, the leaves are turning, days getting shorter and the evenings and nights cooler. Before we know it winter and snow will be here. With that said start thinking about ensuring your HVAC system is ready along with your car.

Last month was busy with the Marathon, Car Show, and the Boots & Heels race. Lion Rodger ran the 5K and Lion Tara ran both the 5k & 10k. They are the two I know of. If anyone else ran, please let me know so you can be recognized for your participation. I ran more than 20 feet. I'm done. I'd probably do wheel in the wheelchair race. Seriously, Congratulations to both Lions. A little disappointing that more Lions didn't come out to cheer the runners on. Sunday, Lion Ellen was the judge representing the Lion Club.

Also, on Sunday was the Heels & Boots race which our Leo club won hand down. Prior to the Marathon we conducted our highway clean-up. Thank You to all that showed up.

This month we started out the month by conducting vision testing for the Bethlehem Lutheran school grades Pre k, K ,2,4, 6 & 8. 33 kids total. The Community Health Fair is the 7th, and we will be sponsoring 3 for Covid shots and vision screening for adults with no vision insurance. We are taking names for our Christmas project through the month on Tuesday & Friday at the FISH location.

The meal this month's hot dogs, chili, baked beans, and dessert. This month our donation to FISH is a hygiene item. For the months of November and December I'm asking that we bring in food items to help for the holidays#
