PRESIDENT'S MESSAGE**4/11/24****Changing the World with
International President,
Dr. Patti Hill****Dear Lion,**

When you became a Lion, you also became a leader. Lions and Leos lead their communities in service and bring people together to achieve greater outcomes than we can alone.

Every time you invite a new member, or we charter a new club, more people are helped, and more communities are served. We are making a tremendous impact all over the world thanks to your leadership.

So, let's continue to grow our impact and share your amazing projects on social media to encourage others to join you. Take an online course to enhance your skills and encourage others to do so, as well. Let's continue to be the leaders that our communities and world need us to be.

Yours in service,

Dr. Patti Hill
International President

**To: Lions and Leo's
OH 6**

Let me first say I was so happy to see so many Lions show up for the annual OH 6 convention this year. It was a great weekend and so many Lions getting awards they so well deserved. It has been a privilege being the Governor for OH 6 again, I have been blessed beyond belief with being able to visit clubs with two of the new leaders coming in to call them friends DGe Brad King 1 ST VDGe Rachelle Powers and 2 ND VDGe Ben Dunn. I have made so many friends this year and last that I will cherish for a life time. As the newly elected officers come in don't forget to contact them for any events, festivals and other club functions you may have, they are excited to get started making friends. I won't bore you with a lot of hoopla, just continue being part of the greatest organization in the world and continue to SERVE.

**Yours in Lionism
District Governor
John Hibbs**

DGE Brad King May Message

The OH 6 District Convention has come and gone, and it was another great success. I want to thank all the clubs and individuals who were able to attend the convention, I really hope you enjoyed your time at the convention. I want to congratulate all the individual and club award winners for a job well done. I also want to thank you all for putting your trust in me to lead our district as your next District Governor. Thank you, DG John Hibbs, for a great two years. I know I have big shoes to fill in 2024-2025. I am truly honored. Congratulations to 1 VDGE Rachelle Powers and 2 VDGE Ben Dunn. They will be a great team supporting me during the coming year. Since there are still two months left in the year, that still leaves time to plan for the upcoming Lions year. What goals and accomplishments do you want to achieve in the upcoming year? As I discussed before, some ideas could include focusing on the five pillars: hunger, vision, diabetes, environment, and childhood cancer. If we are focusing on service and having fun great things will be accomplished as we serve together as Lions.

1VDGe Rachelle Powers

Hello Lions! I want to thank everyone who came out to the District Convention this past weekend and I hope that everyone had a wonderful time. It was so great to see so many of you there. As we come to the final few months of this year we remain busy with visits to Clubs and Activities. Please let us know if you would like for us to visit or to attend an activity for your Club.

With July being right around the corner please send DGe Brad and I a list of activities, meetings or any special event you would like for us to attend. Our calendars fill fast and we want to get to as much as we can next year.

Please remember to keep looking for new members. We are currently in the positive for the year and I would love to see that momentum continue into next year. Remember someone saying "No" is not a no forever, it is just a not right now.

Please feel free to reach out to me at anytime, I am here to help you any way that I can.

2nd VDG Rachelle

March roared out like a lion, and MD13 Lions have been roaring throughout the month of April to alleviate some of the devastation caused by the unusual number of tornadoes that have crossed our state. Kudos to the Huntsville/Indian Lake Lions Club for their immediate response to the EF3 tornado that has caused so much damage in Logan County. OH1 leaders have set up a fund to provide support during the recovery, partnering with the Logan County United Way as well. District Governors have called on Ohio Lions Foundation to help recovery in areas where other tornadoes have been destructive. Where there is a need, there has been a Lion! The MD13 Convention will be held at the Doubletree Inn in Worthington. Lions International First Vice President Fabricio Oliveira will be the International Guest during the May 17-18 Event. Registration for meals closed April 30, but Lions can attend the business meetings, see the displays, and enjoy the evening hospitality by paying the \$15 registration fee on Saturday the 18th. This includes all MD13 Lions who haven't registered in advance, including club delegates coming to vote during the Saturday Business Meeting. There are two months left in the current Lions year, and we have added over 800 new Lions since July 1. Congratulations! We are currently in the plus column in membership growth for the year, and if we continue to add Lions at the rate of 80+ per month, we will have the first positive membership growth as a multiple district since 2007! Don't let down. We all know that the natural course of things is to grow. Nothing ever stays the same. Help us grow by asking a service-minded person to join our association. In respect to current

members, take a few minutes and send a card to friends in your club who have had health issues or whom you just haven't seen for a while. We are a family and need to be looking out for each other. We do a great job for those in the community not in our organization that we support with the many service projects we undertake. Don't forget our own partners in service. Best wishes in the coming months as we celebrate graduations and other school events; births, birthdays, reunions and family gatherings that often occur at this time of year; spring flowering and planting; and all the other activities that take place in the normally great Ohio weather that marks the coming of summer.

Shall the International Relations Committee be removed from Article III, Section 5, page 18 of the MD-13 Ohio Lions By-Laws, of the most recent version dated July 29, 2023 and the MD-13 Ohio Lions Policy Manual Section 1, Chapter 5, page 4?

Rationale: Based on a recommendation from the Finance & Long-Range Planning Committee. The function of the International Relations Committee has recently become moot as one of the main beneficiaries of their funding is no longer in existence at Kent State University.

If approved by a 2/3 majority of registered delegates at the MD-13 Ohio Lions 2024 State Convention, this measure will become effective July 1, 2024

MD13 Ohio Service Challenge 2023-2024

MAKE CHANGE

International President Patti Hill has challenged Lions this year to “**Be the Change**”. And it is often the little things we do each day that work together to make change happen. Every Lion can be part of this change.

Join the Lions of Ohio this year to “**Make Change**”!

Ask your Lions members to collect their change and turn that collective change into a donation toward an important cause.

Some suggestions for donations...

October – Diabetes

Donate to a Diabetes youth camp or similar program. Donate and team up to help with a local diabetes screening. Check with your local schools and other agencies to help provide equipment or programming to help those living with diabetes.

December – Hunger

Donate to a local food pantry, Holiday food basket program, adopt a family for the holiday or donate to a meal program for January after the holiday food has run out

March – LCIF

Donate to our international foundation for humanitarian causes or to help victims of natural disasters. Add your change toward your club’s next Melvin Jones Fellow.

June – Childhood Cancer

Donate to your District STEPS program, the Ohio Lions Pediatric Cancer Foundation, or a local family or project.

Then, report your donation on the new Lion Portal

Make a difference in the lives of others

No system will be available online the weekend of April 12-14.

April 15 to May 13, Lions who have an active account on MyLCI/MyLion will receive an email inviting them to log into the new Lion Portal and create their password. DO NOT PANIC IF YOU DO NOT GET YOUR EMAIL APRIL 15.

After May 13, All visitors attempting to access the previous digital tools will be automatically redirected to the new portal.

**If you don't see the email in your everyday inbox, please check all spam and junk folders for it first before contacting Member Support.

Note that the new Lion Portal will require a unique, unshared email, and phone numbers will no longer be supported as a log in credential.

Ohio Lions Video/Media QR Code Available

Technology continues to move forward and as lions we look for opportunities to expand our capabilities and get information to others.

Please use the QR Code in Jpg and Png formats. Scanning this code with the camera on your phone will open a link that takes you directly to the Ohio Lions Media YouTube playlist.

Please share this code with all your lions. The idea is to get it out to our Ohio lions to give our officers and members easy access to marketing videos for your social media accounts and websites. Advertise! Advertise!

If any of you have other Lions videos that you would like added to the channel or if you have issues getting the QR code to work, please send PDG Ric Houser, our district Marketing and Communications member, the links. Service and Why Lions Perform Service

Most people will tell you they joined their Lions Club to “serve” and usually it is specific to serve in their community to help those in need. It is understandable that, after you join lions, you realize that we make a difference everywhere around the world with our kind and serving hearts. Service is so important to the success of our clubs and to serve those in need means we are accomplishing our lions motto of “We Serve”. Why do we need to do service projects? It provides an avenue to advertise, get ourselves out there and to serve our communities, individuals, and areas around the world with critical services that are needed. It also assists us in our efforts to recruit new members. When someone sees what we do, they might want to join us; just ask someone to come help on a project who is not a member. It could lead to an extra hand in helping fulfill your service project and could lead to a new member.

Ask! Ask! Ask! Ask others to join us. Find out what is important to them and determine if it is something that will work for your club as a project. Think “outside of the box” to move our terrific organization forward. New ideas bring in new members. Remember, there are no bad ideas. Also, keep our current members involved and let them know how important they are to the club. Service is a way to keep everyone involved and get new members. Serve! Serve! Serve! If we serve and it is visible to others, we will grow.

OH6 had another banner year with 100% reporting!!! Congratulations!

If I can help in any way, please let me know.

Yours in Lionism,

PDG Ric Houser

**D.G. John Hibbs,
District Cabinet, Lions and Leos
LCIF Report**

It has again been my privilege to work with the District Officers, the Clubs, and Lions and Leos from 13 OH-6 representing Lions Clubs International Foundation. Thank you to all the Clubs, Lions, and Leos who have supported LCIF with your donations for empowering service through grants for disaster relief, vision, diabetes, hunger, pediatric cancer, environment, and other perils to help our fellow man. We have helped when disasters from tornadoes, hurricanes, flooding, earthquakes, wars, and things have happened not only in our areas, but throughout the world. When there is a need, there is a Lion there to help. Thank you all. Donations of over \$12,000.00 have come from 53% of our Clubs and individual Lions at this time, and I would love to hear from the others in the next couple of months before this Lions year ends. No donation is too small, and you are a part of helping others with your donation to our Foundation. Several Lions have made donations, and we encourage all to do that. Every donation helps! Thank you!!! This year LCIF Ohio Lions and Wendell August Forge are honored to present a limited edition of Helen Keller Centennial Commemorative ornaments. At the 1925 Lions International Convention at Cedar Point, Ohio, Helen Keller presented her challenge to the Lions to be her “Knights of the Blind.” PDG Chase Winegar and I have these ornaments to sell and will have them at this year’s District Convention. See one of us if you are interested in purchasing one at \$18.00 for aluminum or \$23.00 for bronze. We will again be holding a Melvin Jones Fellow raffle at the District Convention. Be sure to get your \$10.00 raffle to perhaps win a Melvin Jones Fellow or a Progressive Melvin Jones Fellow. All these donations go to LCIF to help others. Thank you for your donations, and if you haven’t donated, please consider making a donation in the next couple of months. Donations go towards a future Melvin Jones Fellow once you have accumulated \$1,000.00. Several Melvin Jones Fellows and Progressive Melvin Jones Fellows have been given this Lions year.

Congratulations to all!

Send checks made payable to LCIF to my home address at 1460 Gath South Road, Sardinia, OH 45171.

Glasses Collections and Drop Off's to Glass Collection POCs

Collecting used glasses to include prescription, sunglasses and reading glasses are one of the many tasks that our Lions do. If you collect glasses, please contact one of our Eye Glasses Collection POCs (Lions Patrick Bookman (513-689-2379) and Mike Hathaway (740-703-3943)) to get them to them. Please do not wait until you have 20,000 pairs. You can make arrangements to meet them, have them attend a club meeting and talk about the program, meet them at a Zone meeting, etc. Sometimes, a Zone Chairperson will even collect them for the POCs, but you need to make sure you arrange this prior to bringing a bunch of glasses to a meeting for them to take. The glasses are an important part of the Lions vision program, and it does us no good to hold on to them. They need to be collected and taken to our POCs so that they can get them out to those in need of them. Sight should never be taken for granted and if we can help someone see better, we have done a great service. Please ensure that all glasses are counted and boxed up (no bags please).

- Packing boxes should be marked with the number of glasses contained and the name of the club supplying them.**
- Packing boxes should be of manageable size(20 to 30 pounds).**
- Clubs delivering glasses to the collection points should submit their MAR information for credit. The collection point will not do that for individual clubs.**

OLPCF

OHIO LIONS PEDIATRIC CANCER FOUNDATION

RECOGNITION AWARDS

The Ohio Lions Pediatric Cancer Foundation recognizes individuals and clubs who have donated to the Foundation.

Each club donating directly to the OLPCF at least \$100 in a Lions year will receive a banner patch. (See attached illustration.) Donations of at least \$100 in subsequent years will receive a banner rocker for that year.

Clubs and individuals making donations of any amount will receive a thank you letter.

Each club or individual donating \$500 directly to the OLPCF will receive a **Journey of Hope Award** and a recognition certificate for the person the donor chooses to be the recipient of the award.

The \$500 donation is cumulative and does not have to occur in a single Lions year. Each \$500 donated leads to a Journey of Hope Award. This includes any donations that also qualify a club for a banner patch.

Only donations made directly to OLPCF qualify for the awards. Donations made to STEPS walks or other organizations do not qualify.

Attn: Lion John Bond

Greetings from the OLPCF (Ohio Lions Pediatric Cancer Foundation).

The OLPCF was founded in 2019 to fill several needs relating to pediatric cancer: to help fund, through grants, research to provide cures; to provide financial assistance to families dealing with a child who has cancer; and to provide a tax-exempt restricted fund option for clubs who are working with other foundations and/or families in need.

To date, we have been able to provide \$25,000 grants in each of our first 3 years in existence, and we have helped a number of families as well. As we continue to grow, our ability to reach out will be even greater.

Pediatric cancer is actually over 100 diseases lumped under one umbrella. It is the #1 killer by disease in children. 17,000 children are diagnosed every year in the United States alone, with the average age of 10 at the time of diagnosis, and the symptoms can often be very subtle and easy to miss. Gender, race, age, socioeconomic status...none of these make a difference. Of those who survive, 95% can expect a significant side effect by the age of 45. Despite these numbers, less than 4% of cancer donations goes to childhood cancer research.

All donations are appreciated and are needed, regardless of the amount. However, for individuals and clubs who assist in a larger capacity, there are two recognition awards that we provide. For every \$100 a club donates to the OLPCF in a Lions Year, the club will be recognized with a banner patch the first year and banner pins in subsequent years, acknowledging the contributions they have made. These donation amounts are recorded, and when the amount gets to \$500, an additional award is presented. Any individual or club that donates \$500, either in lump sum or over time, will receive the OLPCF "Journey of Hope" Award, which can be kept by the donor or presented to a worthy individual for their service to others.

Thank you for your consideration of making a difference with your donation. We hope you will help us fight pediatric cancer...for their future.

Yours in Lionism,
Lion John Bond

Note: To avoid returned checks, please make all checks payable to "Ohio Lions Pediatric Cancer Foundation" in its entirety; the bank will not accept it otherwise. Checks can be sent to the address indicated at the header of this letter. Please indicate your club and district so you can be recognized for your donation.

Lions Project For Canine Companions

Want to know about Lions Project for Canine Companions? Want to donate to this wonderful organization? Contact Lion Beth Cauley at (937) 238-9119 to schedule a talk for your club. I am now the Area Director for all of Ohio. I can show videos but, unfortunately, I am not a puppy raiser. I might be able to find one in your area that might be able to attend the meeting also with me to show what these pups can do. These service dogs are amazing and needs donations to help with food, vet appointments, etc. If you are wanting to donate to this cause, please make the checks out to LPCC but send the check to me at 1150 Oakhill Ave, Fairborn OH 45324. I will then log them in my books and send the checks to the LPCC office in Santa Rosa CA. Please don't send the checks directly to the office. If you would like to check out the website, here is the link.

Global Membership Team

With the new Lions year going this year, IP Dr. Patti Hill has a new GMT project. She is calling it Mission 1.5 with the name encouraging new members to be over 1.5M by 2027. Our CA1 representative (Cindy Gregg) is having a zoom meetings with the next one being on Monday, Feb. 19, 2024 at 7:00 pm. Since all of our clubs will begin to nominate officers, PDG Kerry McKnight will present a session on "Succession Planning." at 7 pm. She would like all zone chairs to participate in the meetings also. Our stats for membership are below (as of 17 Feb).

As you can see, we have a loss of 27 at the moment. We need to do better. Let's make OH6 the best district for new members and to add to the Mission 1.5 challenge. I will be trying to attend club meetings this year and I am continuing my challenge to the club presidents (as I attend zone meetings and club visits) to encourage their club to bring in 1 new member this year, if not each member of their club. If every member would bring in 1 new member, we could double the size of our district. How cool would that be? I am going to request club visits so that I can talk/show a presentation on membership and the importance of this subject. For my region, I will probably request it when I do a club visitation. We have had a couple of state GMT meetings led by PCC Kenny Schuck. The meetings were good, and we had a lot of interesting info come out. Thank you for all your support with membership and let's encourage all clubs to talk to family, friends, co-workers, neighbors, any and all folks about Lions. It would be great to get a new club started also.

Be it a regular club or a specialty club, we can use all the clubs we can get. We need more specialty clubs also. If any zone chairs (or clubs) recognize a new area that could use a new club, please reach out to me so that a few of us can look into it and get a new club started. This goes for Leo Clubs also with contacting Leo Advisor Robert Borger. Let's all work together and make 13-OH6 the best district in MD13! Please note the new email address that I am using just for Lions info.

Quick Facts

- **Located 35 miles east of Cleveland, OH, and nestled within 72 private acres of rolling hills, forest, and a 7-acre lake.**
- **Founded in 1929 by Dr. Henry John, making it the first and oldest camp for kids with diabetes in the United States**
- **Camp Ho Mita Koda was one of the first locations where insulin was used and clinically tested**
- **Program offerings include Family Camps, Day Camps, Overnight Camps, Events, Rentals, Teen Programs, Alumni Events, and Volunteer Opportunities.**
- **Fully equipped and staffed healthcare center and dispensary onsite**

Our mission at Camp Ho Mita Koda is *“To help children living with Type 1 Diabetes grow in mind, body, and spirit through an outdoor camping experience that strengthen their confidence and creates a community of peers”*.

We believe that a quality summer camp experience provides education, challenge, achievement, and acceptance. Our unique atmosphere allows coed campers, in grades K-11, an opportunity to thrive in a fun and safe environment that encourages independence while nurturing lifelong friendships. Whether your child is seasoned or a first-time camper, the camp experience can have a profound impact on a child’s development. Imagine your child sitting around the campfire, laughing and enjoying songs and skits in an inclusive and supportive setting... simply magical isn’t it?

Camp Ho Mita Koda’s strong camp community and traditions allow each camper to build a foundation of proper diabetes management within a healthy, supportive and active program. We are proud to offer over 30 fun, educational, and skill developing activities to meet each camper where they are, physically and developmentally, while keeping campers engaged and challenged all summer long.

A few of the activities offered include:

- **Rock Climbing**
- **Kayaking**
- **Swimming**
- **Archery**
- **Paintball**
- **Diabetes Education**

- **Canoeing**
- **Arts & Crafts**
- **Hiking**
- **Team Sports**
- **So much more!**

Surrounded by friends and a well-trained staff, every camper learns to ‘stretch’ ...physically, mentally, emotionally and socially. Self-assured in these new skills, campers come away with a strong foundation for life, increased capabilities, new-found independence, and understanding of their ever-changing personal T1D journey.

FAIRBORN LIONS 2ND ANNUAL GOLF SCRAMBLE

The Fairborn Lions Club will be sponsoring our annual golf scramble on June 22nd at Locust Hills GC in Springfield. All proceeds go to the Fairborn Fish Food Pantry Fairborn Veteran's Memorial. Our goal this year is to raise enough money to exceed \$10,000 for 3-year period and the remaining money raised will go to the Fairborn Veteran's Memorial.

We are reaching out to the community businesses and individuals to help us reach and even exceed our goal. To sponsor a hole is \$100, individuals may donate money or gift cards, a business may sponsor a hole or donate gift certificates. The sponsoring a hole or donations go to provide door prizes and items for the gift bag each golfer receives. With your support we can reach or exceed our goal. The Fish distribute food, hygiene, household, and pet food to over 100 residents on Tuesday and Friday and over 12,000 families yearly.

To enhance the success of our charity tournament, we will also be holding a silent auction with a variety of prizes up for grabs through the generous donations of our community partners!

We are welcoming any support from Cincinnati's local businesses in supporting our event, raising money for CABVI and would like to inquire whether your business would be willing to help support this worthy cause by donating **merchandise to be used as prizes for our silent auction portion of the event or making a monetary donation towards sponsoring a hole**. If you agree to support our event in either way, we will make mention of your contributions to our patrons on signage at the event. If it is more convenient to give a monetary donation, any monetary sponsors will be able to sponsor a hole along the putt-putt course during the event.

If you would like to donate monetarily/donate items to be used as auction prizes for our event or have any questions about the event, you can contact us at gerdintr@mail.uc.edu or **859-446-1905**.

We thank you in advance for your support in this worthy cause and we look forward to hearing from you.

Sincerely,

Thomas Gerding, PhD, MPH

Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program.

Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact youth@ohiolions.org if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
