PRESIDENT'S MESSAGE

4/11/24

Changing the World with International President, Dr. Patti Hill

Dear Lion,

When you became a Lion, you also became a leader. Lions and Leos lead their communities in service and bring people together to achieve greater outcomes than we can alone.

Every time you invite a new member, or we charter a new club, more people are helped, and more communities are served. We are making a tremendous impact all over the world thanks to your leadership.

So, let's continue to grow our impact and share your amazing projects on social media to encourage others to join you. Take an online course to enhance your skills and encourage others to do so, as well. Let's continue to be the leaders that our communities and world need us to be.

Yours in service,

Dr. Patti Hill

International President

DG John Hibbs

**To: Lions and Leo's
OH 6**

Now that all of the conventions are over including the state convention it's time to truly pass the gavel on to DGe Brad. I am going to miss this a great deal. I know that Brad will do well he's just that type of person.

This will be my last newsletter as the Governor of OH 6 I will cherish the memories I have from the past two years and the friendships that I have made. You are all great people doing great incredible tasks, and I couldn't be prouder to be a Lion. It's the members of OH 6 and across OHIO that make it possible to complete the task in front of us.

The peanut butter that we collected was greatly appreciated and was delivered to the state convention, and the total amount collected was 2103 pounds Thank You all that participated, the PB was picked up Saturday by the Food alliance along with a huge Thank you.

**Yours in Lionism
District Governor
John Hibbs**

DGe Brad King

DGe Brad King June Message

It was nice to see everyone from OH 6 at the state convention, we had a strong turnout, and a good time was had by all. If you have not been to a state convention, or it has been a while since you have been to a state convention, I recommend that you go. There are opportunities for service, learning, and of course fellowship with each other and other Lions members from around the state. We also had some top awards given out to some well deserve members from our District.

Let's finish this last month strong by making sure we have our officers installed, welcome new members, retain members, continue our service, and develop our leaders for the future. It has been a great year (2years) under DG John Hibbs, and while we celebrate the successes within the district, let's keep moving forward for this upcoming year as being a top district throughout the state.

Finally, as I head to Australia to the International Convention and be installed as your next District Governor, I would like to state that in the upcoming Lions year I would like to continue to focus on service. I will be working together with the governor team to come up with a district wide service project that all clubs can be involved with that is different than what we currently do now (glasses, pill bottles, and hearing aids as examples). Stay tuned for more details.

1VDGe Rachelle Powers

Hello Lions! As we enter the summer months and busy time for a lot of Clubs keep pushing for to use this as recruitment opportunities. More Lions means we can help more people.

Please work to get your Club officers entered and updated in the Lion Portal. If you have questions please reach out to PDG Ric Houser. DGe Brad and 2nd VDGe Ben and I are very excited for next year and all of the activities to come. Please let us know if you have something you would like us to attend so we can mark our calendars early.

I would also like to give a huge Thank you to DG John for a wonderful year as our Governor and we look forward to his continued guidance in the future!

**Thank You,
Rachelle Powers
937-478-3367**

Greetings! As we enter the homestretch of the 2023-2024 Lions Year, first and foremost I want to thank all the MD13 Lions for their service to humanity. Lions International has added a global cause of humanitarian service to include all those things we do that do not fit into the specific areas of childhood cancer, diabetes, sight, environment and hunger. MD13 leadership has done an excellent job of promoting service in all these areas. Disaster Relief, an area we have had to deal with more than we wish this year, and Youth are also designated as Global Causes now.

At the recent MD13 State Convention, we celebrated the outstanding job our multiple district leaders have done this year. The convention could have been marred by the poor service we experienced, especially in respect to food issues, but the fact that attendees practiced, not simply preached, the idea that “kindness matters” enabled us to celebrate the accomplishments of numerous Lions, especially our district governors. We also took advantage of the opportunity to update our knowledge of how our foundations work, to enjoy hospitality provided by our incoming second vice governors and OLERF, and generally to just have a good reunion with members of our Lions family. MDS Debbie Luttrell and PDG John Davis, with a little help from their friends, did a super job at what we believe is our last concession to COVID commitments.

If you like numbers, MD13 has completed almost 8000 service activities this year, serving close to 1.5 million people with 185,000 service hours donated. We have added 856 new members, and if we maintain this pace, we will meet the Constitutional Area Assigned goal of 957 new members. MD13 has 9700 members in 350 clubs at this point, and our clubs have donated over \$190,000 to various causes. Keep this last thought in mind; we have not had a year since 2007 in which we have had positive membership growth. We are hovering around the break even point so a strong June is critical. If each club added one member in the next month, we would end the 17-year losing streak in which we find our multiple district. Keep inviting non-Lions to join our association and keep encouraging non-participating Lions to come back to an active role in our clubs.

PDG Mike Kerek has been selected as the next Council Chairperson, DGe Brad King as the Vice Council Chair, and DGe Lilane Fox as the Chaplain. Congratulations to these Lions, along with DGe’s Susan Davis, Patty Moorman, Mary Ellen Sherer, William Humphrey, and Toni Gray, who will take office in the new Lions Year, 2024-2025. I am confident that they will provide solid leadership and guidance given the support I have received this year.

It has been an exciting year for me, and I thank you all who have graciously welcomed me to club meetings and celebrations, to district events, and through personal interactions. You have followed the Code of Ethics reminder to be liberal in praise and careful in criticism, especially when criticism was due. Bless you all, MD13 pride of Lions.

OH6 DISTRICT CONVENTION

MD13 Ohio Service Challenge 2023-2024

MAKE CHANGE

International President Patti Hill has challenged Lions this year to “**Be the Change**”. And it is often the little things we do each day that work *together* to make change happen. *Every* Lion can be part of this change.

Join the Lions of Ohio this year to “**Make Change**”!

Ask your Lions members to collect their change and turn that collective change into a donation toward an important cause.

Some suggestions for donations...

October – Diabetes

Donate to a Diabetes youth camp or similar program. Donate and team up to help with a local diabetes screening. Check with your local schools and other agencies to help provide equipment or programming to help those living with diabetes.

December – Hunger

Donate to a local food pantry, Holiday food basket program, adopt a family for the holiday or donate to a meal program for January after the holiday food has run out

March – LCIF

Donate to our international foundation for humanitarian causes or to help victims of natural disasters. Add your change toward your club’s next Melvin Jones Fellow.

June – Childhood Cancer

Donate to your District STEPS program, the Ohio Lions Pediatric Cancer Foundation, or a local family or project.

Then, report your donation on the new Lion Portal

Make a difference in the lives of others
– **Be the Change.**

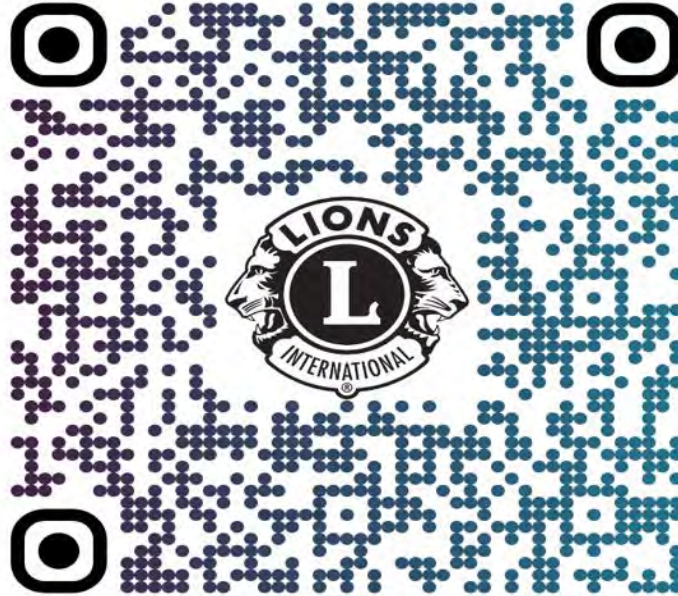

Ohio Lions Video/Media QR Code Available

Technology continues to move forward and as lions we look for opportunities to expand our capabilities and get information to others.

Please use the QR Code in Jpg and Png formats. Scanning this code with the camera on your phone will open a link that takes you directly to the Ohio Lions Media YouTube playlist.

Please share this code with all your lions. The idea is to get it out to our Ohio lions to give our officers and members easy access to marketing videos for your social media accounts and websites. Advertise! Advertise!

If any of you have other Lions videos that you would like added to the channel or if you have issues getting the QR code to work, please send PDG Ric Houser, our district Marketing and Communications member, the links. His email is: ranger3201@gmail.com or you can call him at (937) 520-1936. This channel is in the beginning stages and more input and ideas are welcome.

**D.G. John Hibbs,
District Cabinet, Lions and Leos
LCIF Report**

It has again been my privilege to work with the District Officers, the Clubs, and Lions and Leos from 13 OH-6 representing Lions Clubs International Foundation. Thank you to all the Clubs, Lions, and Leos who have supported LCIF with your donations for empowering service through grants for disaster relief, vision, diabetes, hunger, pediatric cancer, environment, and other perils to help our fellow man. We have helped when disasters from tornadoes, hurricanes, flooding, earthquakes, wars, and things have happened not only in our areas, but throughout the world. When there is a need, there is a Lion there to help. Thank you all. Donations of over \$12,000.00 have come from 53% of our Clubs and individual Lions at this time, and I would love to hear from the others in the next couple of months before this Lions year ends. No donation is too small, and you are a part of helping others with your donation to our Foundation. Several Lions have made donations, and we encourage all to do that. Every donation helps! Thank you!!! This year LCIF Ohio Lions and Wendell August Forge are honored to present a limited edition of Helen Keller Centennial Commemorative ornaments. At the 1925 Lions International Convention at Cedar Point, Ohio, Helen Keller presented her challenge to the Lions to be her “Knights of the Blind.” PDG Chase Winegar and I have these ornaments to sell and will have them at this year’s District Convention. See one of us if you are interested in purchasing one at \$18.00 for aluminum or \$23.00 for bronze. We will again be holding a Melvin Jones Fellow raffle at the District Convention. Be sure to get your \$10.00 raffle to perhaps win a Melvin Jones Fellow or a Progressive Melvin Jones Fellow. All these donations go to LCIF to help others. Thank you for your donations, and if you haven’t donated, please consider making a donation in the next couple of months. Donations go towards a future Melvin Jones Fellow once you have accumulated \$1,000.00. Several Melvin Jones Fellows and Progressive Melvin Jones Fellows have been given this Lions year.

Congratulations to all!

Send checks made payable to LCIF to my home address at 1460 Gath South Road, Sardinia, OH 45171.

WE SERVE: Lions make a difference in the lives of others day after day.

CENTENNIAL COMMEMORATIVE

Ohio Lions and Wendell August Forge Are honored to present a limited edition ornament

All Ohio Lions LCIF Leadership will have these to offer in person. All others can purchase through WAF website directly at wendellaugust.com/lcif

WAF and the Ohio Lions *thank you* in advance for your donation and sharing in a piece of Lions International history.

This fundraising project is brought to you by the LCIF Leadership team of MD13 Ohio.

Glasses Collections and Drop Off's to Glass Collection POCs

Collecting used glasses to include prescription, sunglasses and reading glasses are one of the many tasks that our Lions do. If you collect glasses, please contact one of our Eye Glasses Collection POCs (Lions Patrick Bookman (513-689-2379) and Mike Hathaway (740-703-3943)) to get them to them. Please do not wait until you have 20,000 pairs. You can make arrangements to meet them, have them attend a club meeting and talk about the program, meet them at a Zone meeting, etc. Sometimes, a Zone Chairperson will even collect them for the POCs, but you need to make sure you arrange this prior to bringing a bunch of glasses to a meeting for them to take. The glasses are an important part of the Lions vision program, and it does us no good to hold on to them. They need to be collected and taken to our POCs so that they can get them out to those in need of them. Sight should never be taken for granted and if we can help someone see better, we have done a great service. Please ensure that all glasses are counted and boxed up (no bags please).

- Packing boxes should be marked with the number of glasses contained and the name of the club supplying them.**
- Packing boxes should be of manageable size(20 to 30 pounds).**
- Clubs delivering glasses to the collection points should submit their MAR information for credit. The collection point will not do that for individual clubs.**

FAIRBORN LIONS
2ND ANNUAL GOLF SCRAMBLE

The Fairborn Lions Club will be sponsoring our annual golf scramble on June 22nd at Locust Hills GC in Springfield. All proceeds go to the Fairborn Fish Food Pantry Fairborn Veteran's Memorial. Last year the scramble raised \$5,000+ for the pantry. This year the goal is \$5000.00+. Our goal this year is to raise enough money to exceed \$10,000 for 3-year period and the remaining money raised will go to the Fairborn Veteran's Memorial.

We are reaching out to the community businesses and individuals to help us reach and even exceed our goal. To sponsor a hole is \$100, individuals may donate money or gift cards, a business may sponsor a hole or donate gift certificates. The sponsoring a hole or donations go to provide door prizes and items for the gift bag each golfer receives. With your support we can reach or exceed our goal. The Fish distribute food, hygiene, household, and pet food to over 100 residents on Tuesday and Friday and over 12,000 families yearly.

I can be reached on my cellphone (937) 751-5182 or home (937)879-0056 or by email bigsim66@gmail.com.

Individuals interested in playing can get in touch with me at the information above.

The **Cincinnati Host Lions Club** is proud to announce we will be hosting the annual **Line of Sight Putt-Putt Tournament on August 3, 2024 from 11:00AM-3:00PM**, a philanthropic event in which all proceeds benefit the Cincinnati Association for the Blind and Visually Impaired (CABVI) Broadcast Reading Service. This event will be hosted at The Acres in Evendale. To enhance the success of our charity tournament, we will also be holding a silent auction with a variety of prizes up for grabs through the generous donations of our community partners!

We are welcoming any support from Cincinnati's local businesses in supporting our event, raising money for CABVI and would like to inquire whether your business would be willing to help support this worthy cause by donating **merchandise to be used as prizes for our silent auction portion of the event or making a monetary donation towards sponsoring a hole**. If you agree to support our event in either way, we will make mention of your contributions to our patrons on signage at the event. If it is more convenient to give a monetary donation, any monetary sponsors will be able to sponsor a hole along the putt-putt course during the event.

If you would like to donate monetarily/donate items to be used as auction prizes for our event or have any questions about the event, you can contact us at gerdintr@mail.uc.edu or **859-446-1905**.

Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. https://cdn2.webdamdb.com/md_MSufQ32Ysa31cT7S.jpg.pdf?v=1&utm_source=Eloqua&utm_campaign=MEM_EN_October%20Leo%20eNews_2021&utm_medium=email

Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact youth@ohiolions.org if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
