## From the Editor:

District Convention is in the books! Great event celebrating DG Brad's year. State Convention coming up in May to celebrate Helen Keller's 100<sup>th</sup> anniversary of her speech to the Lions up at Cedar Point. International Convention in July in Orlando.

Let me know if you'd like me to visit your club to talk about starting a LEO Club. They've been having wild successes.

Let's finish this Lion year strong! Support others, get your club noticed, support Mission 1.5.

I also collect pill bottles for zones 1-4 as usual. Please continue to keep DGe Rachelle's family in your prayers over the next few months.

### **DG Brad King May Message**

**The OH 6 District Convention has come and gone, and it was another great success. I would like to thank PCC Lydia Houser for all her hard work in planning and coordination for the convention. I would also like to thank Staci Winner for the great decorations at the convention.**

**I want to thank all the clubs and individuals who were able to attend the convention, I really hope you enjoyed your time at the convention. I want to congratulate all the individual and club award winners for a job well done.**

**I also want to congratulate DGe Rachelle Powers on her upcoming term starting July 1<sup>st</sup>, as well as 1<sup>st</sup> VDGe Ben Dunn on his advancement. We also got a chance to elect a new 2<sup>nd</sup> VDGe, Tony Winner, and I look forward to working with him in the upcoming Lions year. Thanks to everyone who worked on the service project, we were able to pack over 100 bags for those in need. Great Job!**

**We still have two months left in the year so let's finish out the year strong. Let's continue to be the leaders in Service, Membership, and Leadership.**

## **1VDG Rachelle Powers**

**Hello Lions!**

**What an amazing time we all had at the District Convention this past weekend. We honored so many deserving people and Clubs throughout the festivities. We truly appreciate everyone who came and hope that everyone thoroughly enjoyed themselves.**

**My family and I would like to extend our utmost gratitude to all of you who have assisted in someone while we recover from the tornado that came through our property in early April, thank you is not enough but know we love each of you and are so blessed to have such an amazing Lion Family.**

**As we prepare for the last few months of the year we cannot let off the gas, we need to continue to bring in new members and serve our community. Please add all of your activities to the portal and social media to share with everyone the amazing things you are doing.**

**On June 28<sup>th</sup> we will be having Officer Training and Lions 101, this will be for anyone who wants to learn more about Lions and the amazing organization we belong to.**

**Please remember to let us know if there are any functions you would like us to attend next year so we can plan our Calendar early.**

**I look forward to seeing all of you soon!**

**1<sup>st</sup> VDG Rachelle Powers**

## 2VDG Ben Dunn

Spring has finally arrived! Everything is starting anew. The weather is warm & this is a perfect time to get out & serve. Collect food for the food pantries, volunteer at a shelter or mow an elderly neighbor's grass. Please remember to advise Robert Borger our District Newsletter editor [rborger6@gmail.com](mailto:rborger6@gmail.com), to get items / events published and send it to Norm Cupps [ncupps@horizonview.net](mailto:ncupps@horizonview.net) to get it placed on our District calendar. Regardless of the size of your club or project, we all are Lions because we SERVE. We encourage you to collaborate with each other & work together and help each other with fund raising & service projects in both Clubs & Zones. If you call for assistance fellow Lions will show up to help. No service project is too small. Writing cards to nursing home / hospital patients is a small project that has a great impact on someone. It usually uplifts your spirit as well as the patient.

The State Convention project this year is "Picture Forest". The goal is to plant 1,000 trees during the 2024 – 2025 Lions year. Clubs are encouraged to plant one to ten trees, take & submit digital photo of the project. Email digital photos to [stocklaw72@gmail.com](mailto:stocklaw72@gmail.com). This is a good project to collaborate with the Scouts, ODNR, Conservation or Wildlife organization. We must continue supporting each other in serving our communities & fellow human beings. I promise you will gain more friends.

I want to thank everyone for their support at our District convention this past week. Everyone I talked to had a great time. Thank you all for another successful convention. PCC Lydia Houser & Staci Winner did an excellent job organizing & running the convention.

I hope to see you at the State convention May 16<sup>th</sup> thru 18<sup>th</sup> at Sawmill Creek, Huron, Ohio 44839. It is the 100-year celebration of Hellen Keller's speech at Cedar Point naming Lions as the Knights for the Blind.

I want to remind everyone to mark your calendars for the upcoming Officer training to be held on Saturday, June 28, 2025. Lion Mary Bookman & the district will release final details later this month. This is an excellent learning opportunity.

I am enjoying our club visits, activities & looking forward to meeting you and your club. Remember each of you are special. You will be surprised by the number of lives you & your fellow Lions touch each year. Thank you for your dedicated work you provide to your community, your clubs & humanity. So be Kind & Serve.

Yours in Lionism;  
Ben Dunn

## **SERVICE ACTIVITIES**

**Service activities are important because they show what the Lions/Leos are doing whether it be a community event, supporting a disaster, helping a family in need, vision screening, planting a tree, etc. The list of possibilities is endless. We need to be out and about in our community helping out and showing why we are lions. Ask someone to join you for an event; you never know but you could gain a new member. Service shows our pride as a lion. This year we would like each club to plant a tree, or many trees then take a photo, and you can send it to Lion Ric Houser at [ranger3201@gmail.com](mailto:ranger3201@gmail.com)**

**Take the opportunity to brag a little by taking photos and posting them on your electronic media, sending it to your newspaper. You can even write a short article and highlight your service activities.**

**If you need any help coming up with ideas or doing your project, please reach out to others. It can be other lions, volunteers, school groups, church groups. PDG Ric Houser, District Global Service Team, is available to assist you; just ask. Service....Service....Service.....**

## LCIF Annual Report 2024-2025

PDG Elaine Newberry, District Co-Coordinator

When you are reading this report, our District OH-6 has donated \$23,317.00 from 28 Lions Clubs and several Individual Lions as of April 10<sup>th</sup>, 2025 to LCIF. Thank you to each Lions Club, Leo Club, and all the Individual Lions who have made a donation. We still have a couple months left to help so many who need our help each and every day. I put an appeal out when we had the tornadoes in the Southeastern states of Florida, Georgia, North Carolina, South Carolina, and Tennessee and many of you sent in an extra donation. Thank you! I again appealed to you during the California wildfires, and you again answered the plea. Now as you know, many of you are suffering or know personally people who are suffering from the flooding along our Ohio River, Great Miami, Little Miami Rivers and other rivers right here in our immediate area. We have also ones suffering from the tornadoes and storms that have happened in our District just in the last few days. Our own 1<sup>st</sup> VDG Rachelle Powers and Lion Josh have suffered a tremendous loss from a tornado.

Yes, our donations go to other parts of our global world to help in all kinds of disasters, but we also receive help here in our own District from LCIF. Lions are here To Serve and To Help Others when there is a need. Not only does LCIF give grants for disasters, but grants are also given for Vision, Diabetes, Hunger, Pediatric Cancer, Environmental issues, and other areas of need.

There is still time to make a donation if your Club has not. No amount is too small. Each dollar helps! All donations go towards your Club's Melvin Jones Fellow account towards a future Melvin Jones Fellow or Progressive Melvin Jones. Several Melvin Jones Fellows have been awarded this Lions year. Congratulations to All!

You can give me your donations at the District Convention, or mail your checks made payable to LCIF to me at 1460 Gath South Road, Sardinia, OH 45171. Your personal or club account will be credited.

Thank you All!

## **Glasses Collections and Drop Off's to Glass Collection POCs**

Collecting used glasses to include prescription, sunglasses and reading glasses are one of the many tasks that our Lions do. If you collect glasses, please contact one of our Eye Glasses Collection POCs (Lions Patrick Bookman (513-448-5525) and Linn Davey (614-701-0479)) to get them to them. Please do not wait until you have 20,000 pairs. You can make arrangements to meet them, have them attend a club meeting and talk about the program, meet them at a Zone meeting, etc. Sometimes, a Zone Chairperson will even collect them for the POCs, but you need to make sure you arrange this prior to bringing a bunch of glasses to a meeting for them to take. The glasses are an important part of the Lions vision program, and it does us no good to hold on to them. They need to be collected and taken to our POCs so that they can get them out to those in need of them. Sight should never be taken for granted and if we can help someone see better, we have done a great service. Please ensure that all glasses are counted and boxed up (no bags please).

- Packing boxes should be marked with the number of glasses contained and the name of the club supplying them.
- Packing boxes should be of manageable size (20 to 30 pounds).
- Clubs delivering glasses to the collection points should submit their MAR information for credit. The collection point will not do that for individual clubs.

Now is the time to renew/continue your dedication to ending blindness and vision loss here and around the world.

With your help and by continuing your commitment as a supporter to those affected by retinal diseases, we will be instrumental in finding treatments and cures.

#### **The Greater Cincinnati Earth Day Festival, April 26, 2025**

The Greater Cincinnati Earth Day Festival was held on Saturday, April 26, 12 pm – 5 pm, in the Summit Park in Blue Ash Ohio. About 6000 people attended the festival. The colder weather earlier in the day affected the attendance this year. The Cincinnati Host Lions Club had a booth at this event. There was good traffic at the Lions booth since it was one of “Scavenger Hunt” stations.

We had a chance to talk with people about Lionism and the mission of the Cincinnati Host Lions.. Leos from Fairborn Lions Club again participated in this event at the Lions Club booth

#### **THANK YOU, LEOS!!!**

Cincinnati Host Lions again sponsored the Climate Change Quiz at Earth Day Festival. Cash prizes are offered to the top three winners. The Cincinnati Club set up a table at the district convention to promote this event, Conventioneers had the opportunity to take the quiz in-person. The quiz was also available online.

#### **Green Careers Fair at the Cincinnati Earth Day Festival**

This year the Greater Cincinnati Earth Coalition, in partnership with Duke Energy, launched the Environmental Career Path Program at the Greater Cincinnati Earth Day Festival. This initiative was aimed to inspire and empower students to explore rewarding careers in environmental fields, trades, and professions, addressing the growing demand for skilled professionals in the Green Jobs sector.

It was co-hosted by the Greater Cincinnati Environmental Educators, ORSANCO and their Foundation for Ohio River Education (F.O.R.E.), Green Umbrella, and the City of Cincinnati Office of Environment and Sustainability. The event exhibits and career education opportunities. Students and their families learned about career paths that make a positive impact on the planet while providing long-term career stability and growth

#### **Let's Pledge to be a Good Steward of the Environment**

A steward of the environment is someone who responsibly protects and uses the natural environment through sustainable practices and conservation.

Looking for a simple and effective fundraising solution for your club, charity, or organization's next community service project? The Millersport Lions Club offers a "turn-key" fundraising opportunity through their Major Prize Ticket sales for the annual Millersport Sweet Corn Festival.

There's no initial investment needed. Your members can keep 50% of every ticket they sell, and simply return the remaining 50% along with ticket stubs and any unsold tickets before the festival's opening day (August 27th, 2025). With attractive top prizes, supporting worthy causes, and a 78-year history – these tickets are an easy sell.

If you would like more information about this proven fundraiser or place an order for an allotment of Major Prize Tickets, contact Lindsay Drumm at 614-400-4886 by text or email [drumm.89@osu.edu](mailto:drumm.89@osu.edu) today. Lindsay serves as the Chairman of the Grand Prize Booth for the Sweet Corn Festival.

**The grand prize is \$10,000, with a \$2,500 second prize and a \$500 third prize.**

The Sweet Corn Festival is the oldest and largest annual project of the Millersport Lions Club which was founded in 1946 and will be held on August 27-31 at Historic Lions Park in Millersport. Patrons can enjoy hot dripping ears of sweet corn, a large midway, tractor pulls, square dancing, contests, clogging, our heritage village, and lots of festive foods. There is a grand parade on Wednesday at 6:00 pm; queens' pageant on Thursday at 7:30 pm; national headline artists on Friday and Saturday at 8:30 pm; and a 5-K Run on Saturday at 9:00 am.

Come see why we are ear-resistible fun! Admission is FREE, \$20 per vehicle parking fee. For more information go to our website: [www.sweetcornfest.com](http://www.sweetcornfest.com)

### Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact [youth@ohiolions.org](mailto:youth@ohiolions.org) if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
