Kicking Off an Exciting New Lions Club Year!

As we turn the page to a new Lions Club year, the excitement is palpable! With fresh leadership, renewed goals, and a revitalized spirit of service, we're ready to make an even bigger impact in our community and beyond. This is more than just a change in the calendar—it's a chance to reflect on our achievements, embrace new challenges, and reaffirm our commitment to the Lions motto: We Serve.

Each new year brings an opportunity to re-engage with our mission, introduce innovative projects, and welcome new members who bring fresh ideas and energy. Whether it's organizing local food drives, supporting vision programs, or partnering on global initiatives, this is our time to shine. We had such amazing success with the District Project this past year at Convention we will be continuing with a new District Service Project this year (more details to come).

Our new officers have hit the ground running, already planning events that will strengthen community ties and make a real difference. Together, we'll continue to uphold the values that define Lions—service, leadership, and compassion. If you have an event you would like us to attend, please let us know and we will do our best to make it. We are so excited for all the amazing things going on in the District and we want to Celebrate you.

I would like to thank CC Brad for all of his hard work and dedication to OH 6 for the 24-25 year and we strive to stay on the momentum and continue to grow our District and Service through our Communities. I would also like to congratulate him on his appointment as Council Chair and I look forward to continuing to work with him this year.

Let's make this year one of growth, connection, and impact. Here's to another powerful year of service, fellowship, and making the world a better place—one project, one act of kindness at a time.

We are Lions. We are ready. Let's go!

DG Rachelle Powers

1VDG Ben Dunn

I hope everyone is enjoying their summer. Summer is County Fair, Amusement park & family vacation time. Time to spend relaxing with our children and grandchildren. Many Lions clubs are preparing for the upcoming festival season. I wish everyone success in their fund-raising activities. I want to remind everyone about our “Fall into Service” initiative. We are encouraging every club to conduct at least one service project in the fall. Your service project can be as simple as a food drive for a charity or collection of funds / donation to a charity. Regardless of the size of your club or project, we all are Lions because we SERVE. I encourage you to work together and help each other with fund raising & service projects. We must continue supporting each other in serving our communities & fellow human beings. I promise you will gain more friends.

I am looking forward to meeting you and your club as I start club visits this month. Be kind & Serve.

Yours in Lionism;

Ben Dunn 513-405-2786

I am truly honored and grateful to have been elected as the 2nd Vice District Governor. Thank you for placing your trust in me. I look forward to working closely with all of you as we continue to serve our communities with dedication and compassion. Together, I'm confident we can make a meaningful impact and support the growth and success of our district.

Dear Aspiring Lion Leader,

We are pleased to inform you that MD13 GLT will be offering a Regional Lions Leadership Institute (RLLI) to the Lions of Ohio! All three levels will be offered this year. All Levels will be limited to twenty-five participants each Level, so you'll want to get registered ASAP since class size is limited!!

The Lions Institutes are indeed the "Ivy League" of leadership training. The institute at all levels will be a two-and-a-half-day immersion into developing and improving your leadership skills. This training will help you in your work life, your Lions career, and in your personal life as well. If you've ever thought about taking on a Leadership role in your club and beyond, this is the Institute for you!!

The institute is specifically designed to enhance your leadership skills. It will **not** be about fundraising, membership, or service projects. It will be about **Leadership!** This will be held at Deer Creek State Park, Mt Sterling, Ohio on October 24 - 26 and attendance is required for the entire event.

The cost to participants is \$185.00. The total institute cost per participant amounts to over \$300. Thanks to Grants from LCI and funds from the MD13 GLT committee you can attend for much less than the institute cost. Your only other expenses will be your breakfast and transportation to and from. Your hotel bill, 2 lunches and 1 dinner will be paid in full by MD13 GLT.

Below you will find the list of criteria and qualifications for all levels. Remember, space is limited to 25 participants for each level so make sure you get signed up before space runs out! We **MUST** have at least 15 Lions per level to hold this RLLI, so make sure you get the word out to **all** Lions.

We are proud to be able to offer this opportunity to the Lions of Ohio and look forward to receiving your application. If you have questions feel free to contact any committee member listed on the side column.

Sincerely,

PDG Jackie Miller
MD13 GLT Coordinator

LCIF Annual Report 2024-2025

PDG Elaine Newberry, District Co-Coordinator

When you are reading this report, our District OH-6 has donated \$23,317.00 from 28 Lions Clubs and several Individual Lions as of April 10th, 2025 to LCIF. Thank you to each Lions Club, Leo Club, and all the Individual Lions who have made a donation. We still have a couple months left to help so many who need our help each and every day. I put an appeal out when we had the tornadoes in the Southeastern states of Florida, Georgia, North Carolina, South Carolina, and Tennessee and many of you sent in an extra donation. Thank you! I again appealed to you during the California wildfires, and you again answered the plea. Now as you know, many of you are suffering or know personally people who are suffering from the flooding along our Ohio River, Great Miami, Little Miami Rivers and other rivers right here in our immediate area. We have also ones suffering from the tornadoes and storms that have happened in our District just in the last few days. Our own 1st VDG Rachelle Powers and Lion Josh have suffered a tremendous loss from a tornado.

Yes, our donations go to other parts of our global world to help in all kinds of disasters, but we also receive help here in our own District from LCIF. Lions are here To Serve and To Help Others when there is a need. Not only does LCIF give grants for disasters, but grants are also given for Vision, Diabetes, Hunger, Pediatric Cancer, Environmental issues, and other areas of need.

There is still time to make a donation if your Club has not. No amount is too small. Each dollar helps! All donations go towards your Club's Melvin Jones Fellow account towards a future Melvin Jones Fellow or Progressive Melvin Jones. Several Melvin Jones Fellows have been awarded this Lions year. Congratulations to All!

You can give me your donations at the District Convention, or mail your checks made payable to LCIF to me at 1460 Gath South Road, Sardinia, OH 45171. Your personal or club account will be credited.

Thank you All!

Glasses Collections and Drop Off's to Glass Collection POCs

Collecting used glasses to include prescription, sunglasses and reading glasses are one of the many tasks that our Lions do. If you collect glasses, please contact one of our Eye Glasses Collection POCs (Lions Patrick Bookman (513-448-5525) and Linn Davey (614-701-0479)) to get them to them. Please do not wait until you have 20,000 pairs. You can make arrangements to meet them, have them attend a club meeting and talk about the program, meet them at a Zone meeting, etc. Sometimes, a Zone Chairperson will even collect them for the POCs, but you need to make sure you arrange this prior to bringing a bunch of glasses to a meeting for them to take. The glasses are an important part of the Lions vision program, and it does us no good to hold on to them. They need to be collected and taken to our POCs so that they can get them out to those in need of them. Sight should never be taken for granted and if we can help someone see better, we have done a great service. Please ensure that all glasses are counted and boxed up (no bags please).

- Packing boxes should be marked with the number of glasses contained and the name of the club supplying them.**
- Packing boxes should be of manageable size (20 to 30 pounds).**
- Clubs delivering glasses to the collection points should submit their MAR information for credit. The collection point will not do that for individual clubs.**

The Greater Cincinnati Earth Day Festival, April 26, 2025

The Greater Cincinnati Earth Day Festival was held on Saturday, April 26, 12 pm – 5 pm, in the Summit Park in Blue Ash Ohio. About 6000 people attended the festival. The colder weather earlier in the day affected the attendance this year. The Cincinnati Host Lions Club had a booth at this event. There was good traffic at the Lions booth since it was one of “Scavenger Hunt” stations. We had a chance to talk with people about

Lionism and the mission of the Cincinnati Host Lions.. Leos from Fairborn Lions Club again participated in this event at the Lions Club booth

THANK YOU, LEOS!!!

Cincinnati Host Lions again sponsored the Climate Change Quiz at Earth Day Festival. Cash prizes are offered to the top three winners. The Cincinnati Club set up a table at the district convention to promote this event, Conventioneers had the opportunity to take the quiz in-person. The quiz was also available online.

Green Careers Fair at the Cincinnati Earth Day Festival

This year the Greater Cincinnati Earth Coalition, in partnership with Duke Energy, launched the Environmental Career Path Program at the Greater Cincinnati Earth Day Festival. This initiative was aimed to inspire and empower students to explore rewarding careers in environmental fields, trades, and professions, addressing the growing demand for skilled professionals in the Green Jobs sector.

It was co-hosted by the Greater Cincinnati Environmental Educators, ORSANCO and their Foundation for Ohio River Education (F.O.R.E.), Green Umbrella, and the City of Cincinnati Office of Environment and Sustainability. The event exhibits and career education opportunities. Students and their families learned about career paths that make a positive impact on the planet while providing long-term career stability and growth

Let's Pledge to be a Good Steward of the Environment

A steward of the environment is someone who responsibly protects and uses the natural environment through sustainable practices and conservation.

Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. https://cdn2.webdamdb.com/md_MSufQ32Ysa31cT7S.jpg.pdf?v=1&utm_source=Eloqua&utm_campaign=MEM_EN_October%20Leo%20eNews_2021&utm_medium=email

Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact youth@ohiolions.org if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
