**Fellow Lions,**

**As we continue our year of service together, I want to thank each of you for the dedication and compassion you bring to your communities. Every project, meeting, and act of kindness reflects the true spirit of Lionism and strengthens our district.**

**One of our most important responsibilities is documenting the service we provide. Reporting service activities through MyLion ensures that the impact of OH6 is recognized locally, statewide, and internationally. Our service numbers tell the story of who we are as Lions. Accurate reporting helps Lions Clubs International demonstrate our collective impact and supports future grants, programs, and growth opportunities. If your club needs assistance with reporting, please reach out — we are here to help. PDG Ric Houser is a great tool for this.**

**I also encourage every Lion to plan now to attend both our District Convention and the Ohio State Convention. These events provide valuable training, fellowship, and the opportunity to shape the future of our organization. This year is especially important as Lions will participate in voting that helps guide leadership and representation for Ohio. Your voice and participation truly matter.**

**Membership remains the foundation of our service. I challenge each club to host a Membership Night in the coming months. Invite community members, share your service stories, and show others the difference Lions make every day. Growth allows us to expand our reach and serve more people in need. Consider joining the local Chamber of Commerce and networking.**

**Equally important is ensuring new members feel welcomed and prepared. Strong training and new Lion orientation programs help members understand our mission, traditions, and opportunities for leadership and service. When we invest in education, we build confident, engaged Lions who remain active for years to come. Please reach out to our team or GLT Mary Bookman and we would be happy to assist with providing information and training.**

**Thank you for your continued commitment to serving others. Together, we are building stronger clubs, stronger communities, and a stronger District OH6.**

**Yours in Lionism**

**March has arrived. Easter is not far away. Easter Bunny candy are for sale. Spring is upon us. Spring is traditionally a time of renewal & growth. We need to continue our service to your community & to humanity to grow personally & as an organization. I believe each of us has had an act of service touch our heart or we would not be a Lion. I hope each Lion serves more people each year. The lives you touch through service magnify each year. I want to remind everyone about our Service initiatives. We are encouraging every club to conduct the service projects & log them in the Lions Portal. Your next service initiative is Environment during April 18 – 26, 2026. Your project can be as simple as planting a tree or holding a cleanup day. Regardless of the size of your club or project, we all are Lions because we SERVE. I encourage you to work together and help each other with fund raising & service projects. We must continue supporting each other in serving our communities & fellow human beings. I promise you will gain more friends.**

**Please encourage your clubs to participate in the various club awards that are in the back of our District directory. Recognition is a great way for all of us to improve.**

**Please submit all necrology reports by April 1, 2026 to be in our Necrology Service during our District OH6 convention. Please send these to CST Jay Carey, DG Rachelle Powers & 1VDG Ben Dunn.**

**Our District convention will be held on April 24 – 25, 2026 at Embassy Suites Blue Ash, 4554 Lake Forest Dr., Cincinnati, Ohio 45242. Please complete the attached registration form & contact the Embassy Suites to reserve your spot. We are going to have a Country Fair! Dress will be casual.**

**Membership continues to need our attention. Please remember & participate in wear it Wednesday. Wear your Lions, hat, pin or jacket. Talk about Lions & invite someone to your next fund raiser, meeting or better yet your next service project. Our membership will not grow if we do not ask others to serve with us.**

**Please let our Leadership team or I know if there is anything we can assist you or your club with. Be kind to yourself & others. Serve with pride because each of you & your clubs make a difference. You facilitate making & keeping a better community & world.**

## **Message from Your 2nd Vice District Governor**

**Dear Lions,**

**As we move into March, I am looking forward to all of our upcoming zone meetings. These meetings are always a great opportunity to connect, share ideas, and continue strengthening our clubs across the district.**

**I have a lot of good things to pass around and share during these meetings, and I'm excited about the positive momentum we are seeing. It's always encouraging to hear about the projects, service activities, and growth happening within our clubs.**

**As we continue through the spring months, let's keep building on that momentum. Please continue reporting your service in MyLion so we can highlight the incredible impact Lions are making in our communities.**

**Thank you for your continued dedication to service. I look forward to seeing many of you soon and working together to keep our district strong and moving forward.**

**PCC LYDIA HOUSER**  
FOR OHIO MD13 ENDORSED CANDIDATE FOR INTERNATIONAL DIRECTOR

**WHY OHIO NEEDS STRONG INTERNATIONAL REPRESENTATION**

Ohio Lions needs strong international representation by having an International Director because the Lions Clubs International organization operates on a global scale, influencing policies and initiatives that affect all member clubs. An International Director from Ohio ensures that the unique perspectives, needs, and strengths of Ohio Lions are effectively communicated and considered in international decision-making. This representation helps Ohio Lions stay connected to worldwide service opportunities, fosters collaboration with other regions, and advocates for resources and support that directly benefit their local projects. Additionally, it elevates Ohio's profile within the global Lions community, inspiring greater engagement and pride among its members.

Ohio needs robust international representation to ensure its Lions Clubs are fully engaged in shaping the future of service worldwide. By electing me as the endorsed candidate for International Director, Ohio secures a leader whose vision, passion, and advocacy will elevate its voice on the global platform. I bring a wealth of local leadership experience, a deep understanding of Ohio's unique challenges, and the proven ability to connect those needs with international opportunities. My collaborative spirit and forward-looking mindset will empower Ohio Lions to influence international strategies, attract greater resources, and participate in innovative service initiatives. On both the state and world stage, my dedication to serving others, transparent communication style, and unwavering commitment to the Lions' mission make me an outstanding ambassador. Electing me means Ohio's priorities will be championed internationally, while my leadership inspires progress, unity, and pride within communities at home and across the globe.

*PDG Jackie Miller*  
*For Ohio's International Director*

Hello, Lions!

As a candidate for **International Director for Ohio**, I hope many of you have had the opportunity this past month to learn more about me through posts on my campaign Facebook page [here](#). If you haven't yet, I invite you to visit it and get to know my journey and my vision for Lionism.

This month, I'd like to share a little more about where my passion for leadership and service began.

From a very young age, leadership and community involvement were simply part of who I was. I had my own paper route, babysat, and mowed lawns—learning responsibility and work ethic early on. I was active in Brownies and later chose 4-H because I wanted to learn practical skills like cooking and sewing. Thanks to my mom who started teaching me those skills. I still enjoy sewing, knitting, and quilting today.

Service through faith and youth leadership also shaped me deeply. I began teaching Sunday School at the age of 16 and continued well into my 50s, including serving for two years as a teaching coordinator at my church. Along the way, I learned how important it is to guide, mentor, and encourage others.

In school, leadership showed up in many forms. I was a cheerleader in both elementary and high school and served multiple times as Cheerleading Captain. I played in the band, marching with the Flag Corps, and was honored to serve as Flag Corps Captain as well. These experiences taught me teamwork, accountability, and how to lead by example.

That same leadership carried into my professional career. I served on—and chaired—numerous committees, led teams, and was honored to serve multiple years as President of my Toastmasters Club, whose members included our CEO and CFO. I even led our company softball team to a winning season and proudly played on our volleyball team. Whether organizing United Way campaigns or fostering friendly competition between departments to raise funds, I learned how powerful motivated people can be when they work toward a common goal.

When I look back, one thing is clear: **leadership and community service have always been part of my life**. They are not roles I step into—they are part of who I am. That foundation is what I bring with me as I seek to serve Ohio and Lions everywhere as your next International Director.

Looking forward to sharing more next month.

**Let's Support PDG Jackie Miller for International Director!**

## **LCIF Report**

**PDG Elaine Newberry, District LCIF Coordinator**

**An update on Hurricane Melissa that hit Jamaica on October 28<sup>th</sup>, 2025. So far LCIF has made a \$15,000.00 emergency grant which was used to help over 600 households. LCIF has also made a \$100,000.00 catastrophe grant for hospitals, schools, and churches that were destroyed--focusing on helping to restock schools with desks, chairs, etc. as they are rebuilt. These donations are hard at work and making a world of difference.**

**Why should Lions support LCIF? There's nothing more central to being a Lion or Leo than service. It's why we joined; it's what we do. Through our support of LCIF, the Foundation provides Lions the resources needed to take on issues we care about, bringing about real and lasting change. By donating to LCIF, your club and you can help change the world.**

**Grants are given not only for disaster relief, but also for vision, diabetes, hunger, pediatric cancer, the environment, and so many other needs. As Lions, we are there to help where there is a need. All donations from Clubs, individual Lions and Leos are available for future Melvin Jones Fellows or Progressive Melvin Jones Fellows once \$1,000.00 has been donated. They can be named now or later. It is a very nice way to honor or recognize a fellow Lion. Several clubs have chosen to name Melvin Jones Fellows this year. Congratulations to these new Fellows and to the Clubs for doing so.**

**Donations are also added to the District and Club Grants program where Districts can receive grants for worthwhile projects. Thank you to all Clubs and individual Lions who have made donations this Lions year. Some individuals gave this past month of January in honor of Melvin Jones's birthday. There are the Presidential gold, silver, and bronze pins again this year for individuals who give \$50.00, \$100.00, or \$200.00. Some Lions like collecting these pins. No matter what you can give, every donation is appreciated and needed. If you or your Club hasn't donated yet this year, there is still time to do so. You can donate on line or give to me, and I will send it in for you. You will still get the credit.**

**Thank you to all for your donations to LCIF.**

## Mental Health Initiatives

Lions Clubs International is one of the world's largest service organizations, founded on the mission of empowering volunteers to serve their communities, meet humanitarian needs, encourage peace, and promote international understanding. Lions have long focused on vision care, disaster relief, youth programs, hunger, and environmental efforts. In recent years, mental health has become an important and growing priority, as communities across the world face increasing challenges related to stress, isolation, anxiety, depression, and access to care.

The Lions' mental health initiative emphasizes awareness, education, advocacy, and community support. The goal is to reduce stigma, promote early intervention, and help individuals feel supported and connected. Through partnerships with local schools, health organizations, and community groups, Lions are uniquely positioned to bring compassionate outreach and practical resources directly to the people who need them most. Clubs often focus on youth mental health, caregiver support, and building environments where people feel safe discussing emotional well-being.

Mental health service projects can take many forms, allowing clubs to tailor efforts to their community's needs. Educational workshops are a meaningful starting point. Clubs can host guest speakers such as counselors, school nurses, or mental health professionals to talk about stress management, suicide prevention, and coping skills. Distributing green ribbons and informational materials during awareness months can also spark conversations and show visible support.

Youth-focused programs are especially impactful. Lions can sponsor school-based initiatives that teach resilience, kindness, and emotional literacy. Creating "calm rooms" or relaxation corners in schools, donating sensory supplies, or supporting peer mentoring programs can help young people feel supported. Clubs may also provide scholarships for students entering mental health fields, encouraging future service and care within the community.

Community connection projects are another effective approach. Lions can organize wellness fairs, support groups, or family resource nights that provide access to local services. Care packages for individuals experiencing crisis, appreciation events for first responders and healthcare workers, or partnering with shelters and senior centers can help address emotional needs while strengthening relationships.

By focusing on education, compassion, and practical support, Lions Clubs can play a powerful role in promoting mental health and well-being. Through small acts of service and consistent outreach, the organization continues its legacy of improving lives—helping communities feel seen, supported, and stronger together

Yours in Lionism,  
Kasie Flatt-Jeffers

 22 July 2025

**Dear Lions Club Members of MD13 OH6,**

I hope this message finds you well and energized for another year of meaningful service. I'm reaching out to ask for your support for a project that is changing lives in the most direct way possible—by giving people the gift of **mobility**.

For several years, I've been working with **PET/Mobility Worldwide**, a nonprofit that builds and distributes rugged, hand-cranked mobility carts to individuals in developing countries who have lost the use of their legs due to disease, injury, or birth defects. These carts offer people a way to regain their independence and dignity.

My specific part in this mission is building the **handles** for these mobility carts and **shipping them to Columbia, Missouri**, where they are assembled and sent overseas. This effort costs approximately **\$5,000 per year** to cover materials and shipping. Currently, the PET account has only **\$700**—far short of what's needed to keep this project going strong.

That's why I'm asking you and your fellow Lions to consider including this effort in your **club's budget** for the year. Every contribution—large or small—makes a real difference. If several clubs pitch in, we can fully fund another year of this life-changing work.

Please take a moment to discuss this with your club, and if you have any questions or would like me to speak at one of your meetings, I'd be more than happy to do so.

Thank you for your time, your compassion, and your continued dedication to service.

Yours in service,

**Tony Winner**

This year, the Cincinnati Host Lions Club is hosting a contest we are calling Masters for Meals to take place during the Masters golf tournament. Everything raised benefits [The Caring Place Food Pantry](#), a food & clothing pantry in Pleasant Ridge, serving Golf Manor, Silverton, and Kennedy Heights. Our goal is two-fold: a contest & a dine-to-donate event. We are still trying to find a location for the dine-to-donate in the Pleasant Ridge / Silverton area and will pass these details on when they're ready. With our contest, it's \$20 for your chance to win new golfing gear, new golf bags, and golf course & simulator gift cards! Select four golfers & if you have the lowest sum of scores if they all make the cut, you win!

### Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program. Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.

This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs don't need to be related to a Lions member to participate** — they just need to be ready to help and have fun.

Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.

Please contact [youth@ohiolions.org](mailto:youth@ohiolions.org) if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
