Lion President R. Linn Davey brought the meeting to order with 13 Lions present

Song by Lion Debbie

Prayer by Lion AJ

Meal: Everyone brought their own food tonight! Food from Canes and Subway and (unknown) pizza

Next meeting will be on 15 September. Meal will be “potluck”.

We will be going over the club budget for 2026-27, specifically the charitable donations and scholarships.

Lots of Stuff to discuss:

>**Flag Project.** Invoices have gone out to current flag customers. Ross County has signed a contract and will be displaying flags. We will continue to display flags at the Veterans’ Memorial site. Get more contracts!

>**Lot of discussion** about future of the club in view of the reduced membership (currently 36). The consensus was to “keep going”!

Talk to the Lions who have been absent and tell them we miss them. Offer to drive them to the meeting.

>**New members** need to be brought aboard. We are planning on a “Membership Night” on October 20. Talk to your friends.

>**Be thinking** about money-raising projects; maybe several small ones in lieu of one or two large ones.

Note by ye editor (PDG Norman):

We had a frank and open discussion about “the future of our club”. I was delighted at the positive attitude I heard.

We may be small but we are NOT done!
