Meal: Tonight's meal was Pot Luck. Great food enjoyed by all.

Next Meeting: will be on September 29, 2026. Next meal will be "bring your own meal".

- Club will consider this a working meeting to discuss the budget for 2026-2027 and charitable organizations to be considered. This is a must!

General discussion:

Flags:

- Lion Rick Kellough worked with Ruck 22 and highlighted the Lions Club by donating 30 flags to their weekend event. This gave the Lions some great recognition in partnering with Ruck 22
- Flags were placed over Labor Day by Lions Debbie Kellough and Sheila McGarvey. Thank you!
- There remain a few outstanding Flag Contracts that still need to submit payments. Debbie will re-submit contracts and will also submit to those who have flag contracts from last year that have not technically renewed.

Drawings:

- None this week.

Club Supplies:

- A VISA gift card is now available for use to assist in buying various club supplies as needed. This will eliminate the need for requesting reimbursement. Receipts are still to be submitted for tracking purposes.

Zone 8 Basket:

- The club voted and approved the donation of 1 flag and 1 license plate cover for the Zone 8 basket.

Open Discussion:

Members of the club discussed fundraising ideas and determined that identifying solid fundraising projects will be important for the club to continue in order to provide the appropriate community support.

Some ideas included:

- Bringing back the Fish Fry
- Possibly renting the Fair Booth
- Raffles
- Paint Nights
- Other great ideas were identified

There will be another “working meeting” to prioritize our fundraising strategies.
