From the Editor:

A brand-new year with DG Ben, 1VDG Tony, and now, 2VDG Dave. A great crew who is ready to get the year going!
Let me know if you'd like me to visit your club to talk about starting a LEO Club. Had many visits this past year. Would love to get more Leo Clubs started, especially now that this district is the only one in the MD to have a District Leo Board.
I also collect pill bottles for the district and bring them to Matthew 25.
USA/Canada Lions Forum is starting tomorrow, will you be there??
Gotta go, here we come Memphis!

DG Ben Dunn

Welcome to September. Many clubs are conducting or participating in festivals this month. Please help one another with your projects. This collaborative effort shows others you care and builds lasting friendships. I wish everyone success.

Lions must grow to survive. We are tying Service to membership this year. Mission 1.5 goal is to increase service thru increasing membership. Our new slogan is More Lions, More Service. I encourage everyone to help increase membership. Please advise me or any cabinet member of any ideas of potential new clubs or branches, collaborative service work with other groups, Service / Membership drives will help Lions grow. Remember what service project touched your heart and made you want to serve? We all want to improve our communities. So ask friends, neighbors, coworkers to attend a service project with you. Lions growth is everyone's responsibility.

Our District is going to continue the "Fall into Service" initiative. We are encouraging every club to conduct at least one service project and report it in the Lion's portal in the fall. This year LCI and our Service initiatives are Vision Oct. 8 – 18, Youth February 13 – 21 and Environment May 29 – June 6. Club Excellent Awards are requiring service projects from these 3 initiative plus one additional service project. Your service project can be as simple as a food drive for a charity or collection of funds / donation to a charity. Kindness Matters Service awards are also offered this year. Regardless of the size of your club or project, we all are Lions because we SERVE. I encourage you to work together and help each other with fund raising and service projects. We must continue supporting each other in serving our communities. I promise you will gain more friends.

I ask all club to be generous in their gift giving and support of LICF and our local Lions foundations. We have to continue funding these great foundations to have them continue their much needed Services.

Together we will strengthen our communities through our compassion and commitment to Service. Please be kind. You never know what someone is going through. You want to leave a positive mark on other's lives.

If you or your club need any assistance please feel free to ask me or a District cabinet member for help. Communication and connection is our goal. I am looking forward to meeting you and your club as I conduct club visits. Thank you for making your club, District 6 and Lions such a great Service organization.

Be Kind & Catch Service;

Message from Your 1st Vice District Governor

Dear Lions,

As we move into September, I continue to look forward to visiting clubs throughout our district and seeing the outstanding service our Lions are providing in their communities. It has been a great start to the new Lions year, and I appreciate the warm welcome and support I have received from so many of you.

I am also excited to begin our Zone Meetings. They provide a wonderful chance to visit with clubs, exchange ideas, learn from one another, and continue building strong relationships across the district. I hope to see many of you there.

As always, I encourage every club to continue reporting your service through MyLion. Every service project, fundraiser, and community event helps tell the story of Lionism and the positive impact we make each day.

Thank you for your continued dedication and commitment to serving others. I look forward to working alongside each of you as we continue building a successful and rewarding Lions year.

In Lionism,

Tony Winner

Message from Your 2nd Vice District Governor

Dear Lions:
I have been traveling around to various zone meetings and find it interesting to see how different meetings are conducted. This is good because it brings out the individuality of each zone. I have some concern about member participation in these meetings. I would like to encourage all of you to attend as often as possible because there is a lot of information being shared. I have picked up some good ideas concerning service projects and fund raisers. Because I am from a small club some will work and some will not.
Our first week of service is coming up, Oct. 8-17, vision will be the theme. Because Helen Keller challenged Lions to be "Knights of the blind" it will be interesting to see how each club accepts this challenge. As always, please report your information on the "portal" so you get credit.
Other upcoming events are the Winter Retreat, which is being held at Salt Fork State Park Lodge. It is a time for meeting and getting to know all your fellow Lions. I have attended this for the past several years and greatly enjoyed it. Next will be our District Convention April 15-17, which will be held at The Embassy Suites in Blue Ash. The theme this year, to keep it casual, will be "sports" so please come and advertise your favorite team and or sport. The special guest will be ID Mark Mansell and Lion Debbie. This is also a great time to get to know your fellow Lions and see the awards that are given out.
I am happy and proud to be part of our District and would like to see us continue to move forward.

Lead, Inspire and Serve

Meet the International President

Bio Video

Mark S. Lyon, from Brookfield, Connecticut, USA, was elected to serve as International President of Lions Clubs International at the association's 108th international convention held in Hong Kong, China from July 3 through July 7, 2026. Prior to his retirement in March 2024, International President Lyon has worked in corporate legal administration and financial services with several major corporations and banks for over 40 years. As a long-time resident of Brookfield and an active volunteer in his community, church and local government, his connection with Lions was already well established before he became a member of the Brookfield Lions Club in 1996. Since then, he has held a number of offices within the association, including international director, multiple district council chairperson and multiple district GLT coordinator. He was also appointed as a member of the LCI Forward project team, a Global Action Team area leader, a District Governor-Elect Seminar group leader and board liaison to the 2019 USA/Canada Lions Leadership Forum Executive Committee. International President Lyon has also served as presenter, faculty and participant at countless training events and leadership forums throughout the years. In recognition of his service, he has received multiple International President's Awards and International President's Certificates of Appreciation, as well as an International President's Leadership Award. International President Lyon is also a recipient of the Ambassador of Good Will Award, the highest honor the association bestows upon its members. Additionally, he has been recognized as a Connecticut Knight of the Blind and a Connecticut Ambassador of Sight and is the recipient of a number of project and service-related certificates. In addition to his Lion activities, International President Lyon has been active in numerous professional and community organizations. He has served on the board of directors for the Silver Lake Conference Center and Wide Horizons for Children. He was an associate member of the American Bar Association and a past member of the Association of Legal Administrators, the Society of Corporate Secretaries and Governance Professionals and the Shareholder Services Association. International President Lyon is a Progressive Melvin Jones Fellow. His wife, Lyn Lyon, is also a long-time Lion and Progressive Melvin Jones Fellow. They are the proud parents of three incredible daughters.

Revised Suspension Policy

In March 2026, the Board of Directors amended the suspension policy, effective July 1, 2026, that affects Clubs that have not paid their club balances on time. The amended policy is as follows:
A Club which has an unpaid balance in excess of US$20 per member or US$1,000 per club, whichever is less, outstanding past 90 days will be automatically suspended including the charter, rights, privileges, and obligation of the Lions Club. In the event, the Club does not reach an active status by the 28th day of the second month following suspension; their charter would be automatically canceled.

Suspension is the temporary deferment of the charter, rights, privileges, and obligations of a Lions club due to an unpaid balance.
Clubs on suspension shall not:
(a) Conduct service activities
(b) Conduct fund-raising activities;
(c) Participate in district and multiple district functions or seminars;
(d) Participate in any voting procedures outside of the club
(e) Endorse or nominate a candidate for district, multiple district and international office; (f) Submit Monthly Membership Report and report forms; (g) Sponsor a Lions club or organize a Leo or a Lioness club.

Clubs on Suspension shall:

(a) Hold meetings to discuss the future of the club and identify the steps needed to regain active status.
(b) Make payments to clear the existing outstanding balance or request a payment plan.

This amended policy has serious consequences for clubs that are in arrears in paying their club balances. To rectify this past due condition, clubs placed on suspension may regain an active status by paying the balance in full. A re-activation report will not be required to regain active status; however, officers should immediately review and update the membership roster after a Club is released from Suspension. Visit www.lionsclubs.org and consider paying online.

Please feel free to contact membershipbilling@lionsclubs.org should you require additional information. We trust all clubs will review their statements regularly and will send the necessary payments to ensure their active status is protected.

LCIF Report

LCIF—LIONS CLUBS INTERNATIONAL FOUNDATION REPORT
By PDG Elaine Newberry, District 13 OH-6 Co-Coordinator
#36a

Welcome Lions, Leos, and Clubs to a new Lions year. I would like to give a wrap-up of last year's donations ending June 30, 2026 from LCIF's report. Our OH-6 District donated $23,191.86 from 31 Lions Clubs, 1 Leo Club, and several individual Lions. Thank you for your support! There were a couple of clubs that made a donation this past year that had not donated before or at least not in the past few years. Most of the other clubs make an annual donation to LCIF, and we are so grateful. The past few years, LCIF has asked that individual Lions, and especially District and Club Officers, make donations to LCIF as this is our Foundation. Remember that Club and Individual donations accumulate for future Melvin Jones Fellows. Several Melvin Jones Fellows and Progressive Melvin Jones Fellows were given out this past year in our District. Congratulations to all the Clubs and Individuals who received Melvin Jones Fellows.

For more than 100 years, Lions have made a difference in the lives of people in need around the world by serving through kindness. LCIF proudly empowers our compassionate service through grants and programs that enable us to serve even more people in our communities. Each year we see disasters, and LCIF is there to help in all causes—that is you helping your fellowman! One hundred percent (100%) of your donation goes towards grants.

Since 1968, LCIF has awarded more than 20,000 grants totaling nearly US$1.3 billion to support and expand our service across the globe. These grants make it possible for Lions and Leos worldwide to take on bigger projects, help more people, and truly change the world through each and every service project. Your donation to LCIF will help ensure the foundation can continue supporting us as we fulfill our humanitarian mission of improving health and well-being, strengthening communities and supporting those in need.

As you begin a new Lions year, I ask all Clubs, Officers, and Individual Lions to budget for LCIF. Any amount is appreciated. No amount is too small. I hope more will respond and donate this year. Many give because of disasters, knowing that LCIF is there to help in all cases. Individuals can donate on line, or as I tell you at all the Cabinet meetings, I am happy to send in the donation in your name for you. Checks made payable to LCIF, can be mailed to me at 1460 Gath South Road, Sardinia, OH 45171.

Thank you! I hope to hear from more clubs this year!

From: Lion Jim Faust, Trustee for OH-6
Re: Information regarding the OLF Cody Fund

Fellow Trustees:
It came to our attention in our OLF Board meeting today that we need to do a better job of informing the Lions of Ohio about the OLF Cody Fund. Several years ago the Cody Family donated more than $300,000.00 to OLF through Mr. Cody's will and estate. This money was happily accepted by the OLF Board. It was named the Cody Fund and placed as a line item in the OLF Budget. There was a requirement in the will that stated that any grants or financial assistance from this fund could be given only to individuals who were legally blind as defined by the US Government.
As a result, OLF has distributed numerous grants to individuals for various kinds of vision equipment. In addition, OLF has used the Cody Fund for purchasing Pilot Dogs, funding self-defense and specialty seminars for blind persons, and purchasing other types of visual aids for schools that use the equipment for blind students. All the funding was given to legally blind persons who resided in Ohio and who had filed applications for the assistance. This application has always been available on the OLF website and/or from OLF Trustees.
It is important to let all Cabinet members and local clubs know that these funds are available. Any legally blind person who has a special need for vision assistance should contact the local Lions Club and also obtain an OLF application. The club should then contact the local OLF Trustee who will then assist in processing the application. Please note that there are financial standards that need to be met and the OLF Board will then act upon the application.
OLF also has funding available for vision-impaired persons who are not legally blind. The Roberds, Oyer, and Shoaf funds are usually used for these types of grants. The application process is basically the same.
Please pass this information on to your Districts and local Lions Clubs. Let me know if you need more information.

OHIO LIONS EYE RESEARCH FOUNDATION (OLERF)
(News from PCC Lydia Houser, OLERF Executive Director)

OLERF provides funds to accomplish vision research by Ohio researchers. This article discusses Cataracts and the importance of understanding what Cataracts are.

What is a cataract? A cataract is a cloudy area in the clear lens inside the eye. The lens helps focus light so you can see clearly. When it becomes cloudy, vision may look blurry, dim, hazy, or like you are looking through a foggy window. Cataracts usually do not cause pain, redness, or tearing.

Common Signs: Blurry, cloudy, or dim vision; Colors look faded or yellow; Trouble seeing at night; Glare or halos around lights; Needing brighter light to read; Frequent changes in glasses prescription

Who is at Risk? Cataracts are very common as people get older. More than half of Americans age 80 or older either have cataracts or have had cataract surgery. Cataracts can happen in one or both eyes, but they do not spread from one eye to the other.
Risk factors include aging, diabetes, smoking, long-term steroid use, too much ultraviolet sunlight exposure, eye injury or inflammation, certain eye diseases, and family history.

Why do Cataracts form? Most cataracts form because of normal aging changes in the eye. Over time, proteins in the lens can clump together and make the lens cloudy. Cataracts may also form after eye injury, illness, certain medicines, or too much ultraviolet light exposure.

Types of Cataracts: Age-related: the most common type. **Congenital:** present at birth. **Traumatic:** caused by an eye injury. **Secondary:** related to medicines, eye disease, infection, diabetes, or other health problems.

How cataracts affect vision. Your eye works like a camera. It needs a clear lens to focus light on the retina at the back of the eye. When a cataract clouds the lens, light does not reach the retina clearly, so the brain receives a blurry or dim image.

When to call your eye doctor. Make an appointment if your vision becomes blurry, cloudy, dim, less colorful, or if glare and night driving become harder. Only an eye doctor can tell whether cataracts or another eye problem is causing your symptoms. Your eye doctor will ask about your health, eye history, and symptoms. Tests may include a vision test, eye pressure check, slit-lamp exam, dilated eye exam, and glare test.

The Ohio Lions Eye Research Foundation (OLERF) is a 501(c)(3) tax-exempt status organization. OLERF is committed to finding treatments and cures for blinding retinal diseases such as Cataracts. There is much more work to be done in the fight against blindness, and we cannot do it without you. Now is the time to renew/continue your dedication to ending blindness and vision loss.

Each District in Ohio has an OLERF member. Contact them for more information, to speak at a club meeting, district meeting, etc., or to donate. OLERF is proud of the research being accomplished and looks forward to continuing to be a leader for Ohio in eye research. Go to: OLERF.org for more information on our foundation.

Dear Lions Club Members of MD13 OH6,

I hope this message finds you well and energized for another year of meaningful service. I'm reaching out to ask for your support for a project that is changing lives in the most direct way possible—by giving people the gift of **mobility**.

For several years, I've been working with **PET/Mobility Worldwide**, a nonprofit that builds and distributes rugged, hand-cranked mobility carts to individuals in developing countries who have lost the use of their legs due to disease, injury, or birth defects. These carts offer people a way to regain their independence and dignity.

My specific part in this mission is building the **handles** for these mobility carts and **shipping them to Columbia, Missouri**, where they are assembled and sent overseas. This effort costs approximately **$5,000 per year** to cover materials and shipping. Currently, the PET account has only **$700**—far short of what's needed to keep this project going strong.

That's why I'm asking you and your fellow Lions to consider including this effort in your **club's budget** for the year. Every contribution—large or small—makes a real difference. If several clubs pitch in, we can fully fund another year of this life-changing work.

Please take a moment to discuss this with your club, and if you have any questions or would like me to speak at one of your meetings, I'd be more than happy to do so.

Thank you for your time, your compassion, and your continued dedication to service.

Yours in service,
Tony Winner

Important Compliance Dates and Filing Requirements

To help ensure your club remains in good standing, please review the following annual and periodic compliance requirements. Club officers are encouraged to complete each filing before the applicable deadline and retain confirmation records for their files.

Annual Compliance Requirements

November 1 — Ohio Unclaimed Funds Report

Complete the required **Unclaimed Funds Self-Report** through the Ohio Department of Commerce.

Submit an Unclaimed Funds Report

November 15 — Ohio Attorney General Charitable Registration

Complete your club's annual filing with the **Ohio Attorney General's Charitable Law Section**.

Ohio Attorney General — Charity Registration

November 15 — IRS Annual Return

Eligible tax-exempt organizations should complete their annual IRS filing. For organizations required to file **Form 990-N (e-Postcard)**, use the IRS website below and scroll down to select **"Submit Form 990-N."**

IRS Form 990-N (e-Postcard)

Ohio Articles of Incorporation Renewal

Clubs should periodically verify that their incorporation remains active with the **Ohio Secretary of State**.

Ohio Secretary of State Business Filing Portal

Ohio nonprofit corporations should review their incorporation status and applicable filing requirements at least every five years to ensure the organization remains in good standing.

Need Help Determining Your Renewal Date?

If you are unsure when your club's incorporation filing is due, please contact:

Lion Frank Browning
frank.browning1095@gmail.com

Please include your **club name** in the email, and I will review the information and provide you with the applicable renewal date.

Recommended Recordkeeping

After completing each filing, clubs should retain a copy of the submission, confirmation email, receipt, or other proof of filing with the club's permanent records. Maintaining these records will make future compliance reviews and officer transitions significantly easier.

Fall-Fest '26

Wooster Noon & Broadview Heights- BVI Lions Clubs

Friday, September 25 and Saturday, September 26

Our Plea

We are asking for donations to support our 4th annual Fall-Fest weekend in collaboration with the American Council of the Blind of Ohio. Blind and visually impaired adults travel from throughout Ohio to join local participants for a memorable weekend in beautiful Wayne County.

Event Details

Fall-Fest brings together accessible recreation, friendships and fun, and many exciting adventures! Visually impaired participants are joined by sighted volunteers for planned activities. We also enjoy relaxing and exploring downtown Wooster, sharing new experiences, building confidence and supporting independence.

* Pizza Party	*Farmers' Market	*Archery	*Nature Walk
*Scavenger Hunt	*Fishing	*Birding	*Picnic

Your Donation

Your club's donation would directly benefit visually impaired participants. The cost of the event including a two-night stay at the Best Western, transportation, meals, and all activities is $450 per visually impaired participant. We are pooling resources with other donors and economizing when possible. Every little bit helps and every donation is appreciated!

Why This Matters

People who are blind or visually impaired often experience severe barriers to social and recreational activities resulting in isolation, and difficulty maintaining physical, social and emotional well-being. Many of our participants have limited incomes and would not be able to afford to attend without help.

Thank you for your support!

Melvin Jones Fellowships

The MJF program was establish in 1973 to honor our founder Melvin Jones. This recognizes donations of $1,000 to Lions Clubs International Foundation. New MJF's receive a pin, commemorative plaque, and a letter from the LCIF Chairperson. If the donor chooses, they may use their donation credit to recognize another person.

Progressive Melvin Jones Fellowships (donations in addition of the initial $1,000), provides opportunities to advance in the fellowship program. Donors receive a unique PMJF pin that corresponds to their level of giving. If the donor chooses, they may use their donation credit to recognize another person.

LCIF can globally help improve health and well-being, strengthen communities and support those in need through humanitarian services and grants. Donors receive credit when directing their donations to **Empowering Service Fund:** All the causes the foundations supports; and **Disaster Relief:** Specifically reserved for disaster relief.

- **Can be named in honor or in memory of an individual**
- **Can be made in minimum installments of $100 over a 5-year period**
- **Clubs OR Individuals can make donations to this fund**

Many Districts, not just those in other countries have benefitted from LCIF Grants from these funds! You are required to match grants at 25-50% of the total grant desired, depending on the type of grant.

Districts **OH5, OH6** and **OH7** have benefited from tornado relief efforts with grants from LCIF. Helping those effected from tornadoes with care packages consisting of food, gift/gas cards and other clean up efforts based on grant specifics.

During the tragedy in **Palestine, OH** LCIF grants helped those efforts as well with the same type of grant specifics.

Also, **Districts** get monies back based on how much clubs and individuals donate for **community impact grants** by District. These grants don't require any matching funds and are available for local humanitarian activities based on grant specifics.

See Guide to LCIF Grant Opportunities on Flash Drive and in binder or consult your LCIF Coordinator for more information!

Leo and Leo-Lion Cabinet and Council Liaison Positions

The Leo or Leo-Lion cabinet and council liaisons are one-year non-voting appointed positions developed to incorporate young leaders and strengthen Lions districts and multiple districts. These optional positions were approved during the April 2021 International Board of Directors meeting. For Leos and Leo-Lions it is an opportunity to further their leadership skills, use their experience to improve the Leo Club Program, and represent the diverse views of young people in our organization. For Lions leaders, it is an opportunity to incorporate younger voices and perspectives at district and multiple district levels and build stronger Leo and Lion connections. These roles may function much like the Leo-Lion liaisons that are appointed to the international board of directors. The ideal candidates are respected young people who have demonstrated strong leadership skills and are current active Leos or members of the Leo-Lion membership program.

Exciting news from LCI! The "new" CUB program has been announced. This is a piece from their brochure & the CUB Guide: found under "CUB Program" on the LCI website.
This special program is designed for kids ages 12 and younger to teach them the joy of volunteering and help them develop a lifelong dedication to helping those in need. **Cubs *don't need to be related to a Lions member* to participate** — they just need to be ready to help and have fun.
Cubs are children aged 12 of age or younger who are interested in service and show commitment to a given Lions club. A Cub club can be formed when five or more Cubs are working together with a Lions club. A Cub club may be held responsible for certain tasks at a Lions-planned event or may even plan their own events and hold their own fundraisers. If a Cub club forms, a Lion member should be designated as the contact to the Cubs and reported in MyLCI.
Please contact youth@ohiolions.org if you have any questions. (Please note - we are still working through the Guide and brochure, too!)
