Lots of Stuff to discuss:

We went over the club budget for 2026-27, specifically the charitable donations and scholarships. Overall funding level is same as last year [+-$1000]

We dropped three and then added Project Lifesaver and Warm Table.

>**New members** need to be brought aboard. Invite a friend to join us on October 20.

Also, talk to the Lions who have been absent and tell them we miss them. Offer to drive them to the meeting.

>**Be thinking** about money-raising projects; maybe several small ones in lieu of one or two large ones.
